Mission:
Florida International University is an urban, multi-campus, public research university serving its students and the diverse population of South Florida. We are committed to high-quality teaching, state-of-the-art research and creative activity, and collaborative engagement with our local and global communities.

Values:
Florida International University is committed to the following core values:
- **Truth** – in the pursuit, generation, dissemination, and application of knowledge
- **Freedom** – of thought and expression
- **Respect** – for diversity and the dignity of the individual
- **Responsibility** – as stewards of the environment and citizens of the world
- **Excellence** – in intellectual, personal, and operational endeavors
Welcome new students and welcome back returning Golden Panthers! Florida International University is an incredible institution filled with a diverse and richly talented student body and Worlds Ahead faculty and staff that are here to guide you along to make this time special and fulfilling. In order to help you get the most of your College experience, we here in Campus Life strongly encourage you to get involved on campus. Whether it is a Club, Honor Society, Sorority or Fraternity… it’s up to you.

There are many reasons for you to get involved at FIU. First and foremost it is FUN. You should want to connect with other like-minded students who not only want to socialize, but who also have goals to be successful in life. You will find opportunities here to obtain leadership skills and experiences that will be crucial in landing that perfect job when you graduate. You will be able to network with new friends and future professional colleagues. Finally, research clearly shows that students who are involved on campus are more likely to succeed in college. Since the average college graduate will earn $2-3 million more over their career than those without a college degree it seems that getting involved is not just fun, but is also a wise investment.

So again, welcome! We hope that you will take advantage of all the great resources FIU has to offer and that you have the great college experience you deserve.

Thank you for your investment in FIU and GO PANTHERS!!!

Jose Toscano – Director of Campus Life, MMC
Rafael Zapata - Interim Director of Campus Life, BBC
On behalf of the Division of Student Affairs, I want to welcome you to the university and the beginning of a new academic year. I hope you find your studies this year to be stimulating, challenging, and enjoyable.

This Student Handbook is published through the joint efforts of the Division of Student Affairs and the Student Government Association.

Its purpose is to help you understand the university and its many elements. It outlines the services, programs, and activities of the University, which are designed to enhance the quality of your educational experience.

The pursuit of knowledge and an academic degree is the major purpose of your university attendance. However, the university community abounds with opportunities beyond the classroom. Campus clubs and organizations provide a stimulating and interesting venue for learning. As well, research opportunities with faculty, work opportunities through campus employment, and co-op positions with local business and industrial firms provide excellent learning and personal growth experiences for students.

FIU has a strong commitment to diversity. You have the unique opportunity to be part of the diverse student body that FIU constitutes. I encourage you to take advantage of it, learn from it, and appreciate and respect the differences of everyone who comprise the FIU community.

I encourage you to take advantage of the many programs and activities that occur on campus throughout the year. You may choose to be a spectator and simply observe and enjoy. On the other hand, you may also be an active participant and significantly enhance your educational experience through such participation. The university provides a unique environment affording you many kinds of opportunities. I encourage you to stretch yourself, work hard, and take advantage of all that is here before you. Please accept my best wishes for a successful year.

Sincerely,

Larry Lunsford, Ph.D.
Vice President for Student Affairs
Welcome to Florida International University. The Division of Student Affairs provides a wide array of programs and services intended to support the personal and academic success of our students. We want all of you to have a positive FIU experience.

As the Associate Vice President and Dean of Students, my goal is to help create a culture of care for students, their families, faculty and staff by providing proactive education, consultation, resources, and response to distressed students or students in crisis.

We know that some students will face obstacles along the path toward their academic goals, such as personal distress, anxiety, depression, family emergencies, health issues and more. There are excellent support services on campus to assist students, with the purpose of getting them back on track toward their goals. Our office can assist students individually, by identifying the appropriate campus resources to best help them.

I invite you to contact me or stop by if we can assist you in your time at FIU. Best wishes for a successful year.

Cathy Akens, Ed.D.
Associate Vice President for Student Affairs
And Dean of Students

GRADUATE SCHOOL
MESSAGE FROM DR. LAKSHMI REDDI

Solutions to many of the challenges facing the United States and the world in the 21st century require creative, knowledgeable, and highly skilled workforce. It is estimated that 2.5 million additional jobs will require a master’s or doctoral degree between 2008 and 2018. Employers are increasingly using graduate training as an important credential for employment and advancement. Independent, critical, and innovative thinking, which are key elements of graduate training at FIU, are necessary for career growth in the business, government, and nonprofit sectors.

The University Graduate School (UGS) at FIU provides students with the advanced knowledge and skills to secure our future intellectual leadership in the knowledge economy. The UGS manages all graduate admissions, and assumes the important role of ensuring graduate student progress and success - formation of supervisory committees, timely completion of dissertation proposals, and ultimate approval of all theses and dissertations. In addition, the UGS partners with a wide variety of offices throughout the University to offer students academic and research services, and professional development opportunities, to enhance their graduate experience. Fellowships, teaching assistantships, and other financial assistance to graduate students are also administered in the UGS.

I welcome you to the graduate school and invite you to be part of our exciting and dynamic learning environment.

Lakshmi N. Reddi, Ph.D.
Dean, University Graduate School

UNIVERSITY GRADUATE SCHOOL POLICIES & PROCEDURES

Code of Academic Integrity

This Code of Academic Integrity was adopted by the Student Government Association on November 28, 2001 and reflects the values articulated in the Student Code of Standards.

Florida International University is a community dedicated to generating and imparting knowledge through excellent teaching and research, the rigorous and respectful exchange of ideas, and community service. All students should respect the rights of others to have an equitable opportunity to learn and to demonstrate the quality of their learning. Therefore, all students are expected to adhere to a standard of academic conduct, which demonstrates respect for the learning environment, their fellow students, and the educational mission of Florida International University.

Pledge

As a student of this university:

- I will be honest in my academic endeavors.
- I will not represent someone else’s work as my own.
- I will not cheat, nor will I aid in another’s cheating.

All students are deemed by the University to understand that if they are found responsible for academic misconduct, they will be subject to the Academic Misconduct procedures and sanctions, as outlined in the following procedures.

Misconduct Procedures

Graduate students at Florida International University are expected to adhere to the highest standards of integrity in every aspect of their lives. Honesty in academic matters is part of this obligation. Academic Integrity is the adherence to those special values regarding life and work in an academic community. Any act or omission by a student which violates this concept of academic integrity and undermines the academic mission of the University, shall be defined as academic misconduct and shall be subject to the procedures and penalties that follow below.
**Definition of Academic Misconduct**

Academic Misconduct is defined as the following intentional acts or omissions committed by any FIU student:

**Cheating:** The unauthorized use of books, notes, aids, electronic sources; or assistance from another person with respect to examinations, course assignments, field service reports, class recitations; or the unauthorized possession of examination papers or course materials, whether originally authorized or not. Any student helping another cheat may be found guilty of academic misconduct.

**Plagiarism:** The deliberate use and appropriation of another's work without any indication of the source and the representation of such work as the student's own. Any student who fails to give credit for ideas, expressions or materials taken from another source, including internet sources, is guilty of plagiarism. Any student helping another to plagiarize may be found guilty of academic misconduct.

**Misrepresentation:** Intentionally lying to a member of the faculty, staff, administration, or an outside agency to gain academic advantage for oneself or another, or to misrepresent or in other ways interfere with the investigation of a charge of academic misconduct.

**Misuse of Computer Services:** The unauthorized use of any computer, computer resource or computer project number, or the alteration or destruction of computerized information or files or unauthorized appropriation of another's program(s).

**Bribery:** The offering of money or any item or service to a member of the faculty, staff, or administration anyone in order to commit academic misconduct.

**Conspiracy and Collusion:** The planning or acting with one or more fellow students, any member of the faculty, staff or administration, or any other person to commit any form of academic misconduct together.

**Falsification of Records:** The tampering with, or altering in any way any academic record used or maintained by the University.

**Academic Dishonesty:** Any act or omission not specifically mentioned above and which is outside the customary scope of preparing and completing academic assignments and/or contrary to the above stated policies concerning academic integrity.

The definitions and procedures do not address:

1) Issues related to sexual harassment, or discrimination based on age, sex, sexual orientation, religion, race, marital status, national origin or disability. The Equal Opportunity Programs (EOP) Office is responsible for handling such issues in accordance with procedures developed to comply with the Florida Equity Act;

2) Issues related to research misconduct. If the graduate student alleges unauthorized utilization of thesis, dissertation or research materials by a professor, resolution of the issue must be sought using the University Research Misconduct policy;

3) Issues related to professional misconduct. If the student is dismissed from a course or program due to violation of a professional code of conduct, those decisions are addressed at the school or college level.

Any violation of this section shall first require a determination as to whether the act or omission constitutes academic misconduct. More information related to academic misconduct and academic misconduct procedures can be found at:

**Grievance Procedure**

Often grievances grow out of misunderstandings or misperceptions about expectations. Faculty and advisers have an obligation to ensure that graduate students are aware of professional and academic expectations. Graduate students have a concomitant obligation to diligently pursue and satisfy these standards; they are bound to observe and respect...
the policies, rules, and regulations of the University, of their respective departments and of their professors. Many of these grievances should be settled through open communications.

Occasionally, a rift develops that cannot be settled informally. Although graduate students have a right to seek redress for academic grievances, they often forgo their rights so as not to offend the professor. Students should be aware that bringing a formal grievance may have the consequence of damaging the working relationship with the professor, and that any straining of the relationship with the professor may interfere with learning. When all means of informal resolution have been exhausted, the parties must have a forum in which to seek review and resolution of an academic grievance.

**Purpose of the Grievance Policy and Procedure**

The purpose of this policy and procedure is to provide a means for graduate students to seek investigation and possible resolution of academic grievances, as defined below.

**Scope of Policy**

This policy and procedure covers graduate academic grievances which are defined as any complaint or controversy alleging: 1) unprofessional conduct by a professor which adversely affects either a student’s ability to satisfy academic expectations, whether in the classroom, the field, or a lab, or the student’s actual performance; 2) improper admission counseling; 3) improper counseling by an adviser; 4) arbitrary grading for coursework, comprehensive examination, thesis or dissertation; and 5) arbitrary non-renewal of a graduate assistantship or arbitrary dismissal from a course or program.

This policy does not address issues related to sexual harassment or discrimination based on age, sex, religion, race, marital status, national origin, or disability. The Equal Opportunity Programs office is responsible for handling such issues in accordance with procedures developed to comply with the Florida Equity Act. If the graduate student alleges unauthorized utilization of thesis, dissertation or research materials by a professor, resolution of the issue must be sought using the University’s policy: Protocols for Investigating Research Misconduct.

**Informal Grievance Procedure**

Graduate students must attempt to informally resolve an academic grievance as soon as possible; however, a student must initiate informal resolution by contacting the professor (or administrator as instructor of record) no later than ten (10) university days after classes begin in the semester following that in which the complaint arose or the grievance will be deemed untimely. The student must first attempt to resolve the academic grievance through an informal meeting with the professor.

If the matter cannot be resolved, or if the professor cannot be reached, the student must meet next with the chair and failing resolution, with the academic dean. If the student’s grievance is against a committee, the students must meet with the committee chairperson and the academic dean to attempt informal resolution. A mutually agreeable resolution shall be formalized through a notation in the student’s file/record that is initialed by the student and the professor.

If an informal resolution cannot be reached within thirty (30) University days after the initial contact with the professor, then the student has the right to seek a formal resolution of the academic grievance.

**Formal Academic Grievance Procedure**

The formal academic grievance procedure is initiated by filing a written complaint with the Dean of University Graduate School. The complaint must be filed within fifteen (15) university days of the date the informal resolution process ends, or within twenty (20) university days after classes begin in the semester following that in which the complaint arose—whichever is later. After receipt, the Dean of University Graduate School, in consultation with the Chairperson of the Graduate Grievance Committee, will review the complaint to determine whether it falls within the scope of this policy and whether a formal hearing is warranted. When there are disputed issues of material fact that must be determined, a formal hearing is warranted. If the complaint does not fall within the scope of this policy, then the student shall be so notified in writing by certified mail.

**A. Graduate Student Academic Grievance Committee**

Where a complaint falls within the scope of this policy and there are disputed issues of material fact to be determined, the Dean of University Graduate School will refer the matter to the Graduate Student Academic Grievance Committee. The Grievance Committee will be composed of five members, two of whom should be graduate students selected by the Dean of University Graduate School from a list of names supplied by the
Graduate Student Association (GSA) and/or the academic deans. The other members of the Committee shall be three full-time faculty who have experience with graduate programs. They will be selected from lists supplied by the academic deans and/or the Faculty Senate. The members of the Committee will include two faculty from academic units outside of the school/college where the student is enrolled and where the grievance has been filed. The Chairperson of the Committee will be jointly selected by the Dean of University Graduate School and the Chairperson of the Faculty Senate.

B. Procedures
A hearing shall be scheduled as soon as possible, but no later than 45 university days after receipt of the grievance. The grievant and the professor shall be notified by the Dean of University Graduate School by certified mail, of the date and time in which to appear for the formal hearing. The hearing shall be conducted with such formality as is necessary to ensure the proceeding is fair, and in a manner that allows both sides of the dispute to be presented. The hearing shall be recorded. At the conclusion of the hearing, the members of the Committee shall have the opportunity to deliberate outside the presence of the parties. A written report including findings of facts, conclusions and recommendations shall be prepared and forwarded to the Dean of University Graduate School. The Dean of University Graduate School shall issue a written decision within fifteen (15) University days of receipt of the Committee’s report. The student and the professor will be sent copies of the Dean’s determination by certified mail.

C. Appeals
Any decision of the Dean of University Graduate School may be appealed by either the grievant or the professor, where there is evidence that a significant impropriety in the review process occurred. The appeal must be in writing, specify in detail the alleged procedural impropriety, and must be filed in the Office of the Provost within ten (10) University days of the date of receipt of the Dean’s decision. The Provost or a designee shall review the appeal and the record of the formal hearing, and issue a decision within twenty (20) University days. The decision of the Office of the Provost is final.

More information about the grievance procedure can be found at:

http://gradschool.fiu.edu/academic-grievance.shtml

Add or Change of Degree Program
A fully admitted, enrolled graduate student may apply to change graduate degree programs without paying an additional application fee. In all other respects, a change of a graduate degree program is handled as a new application and is evaluated as such by the department into which the student wishes to transfer. A “Change of Graduate Degree Program” form and instructions are available in the “Student Forms” section of the University Graduate School website at http://gradschool.fiu.edu/student-forms.shtml under “Current Student Forms.”

Approval of a change of graduate program is granted by the Dean of the University Graduate School only under unique and well-justified conditions. International students should contact International Student & Scholar Services http://isss.fiu.edu/ before changing degrees.

Attendance Policies
Individual faculty may establish attendance criteria in classes where they deem it necessary. Academic units may establish their own attendance policies with the approval of the Provost. Students who wish to take a leave of absence for one or more semesters, must follow the leave of absence procedures outlined below. Lapses in enrollment for three or more consecutive semesters including summer require that the student apply for readmission subject to the admission procedures, criteria, and policies in effect at the time the reapplication is made. Doctoral students who have achieved candidacy and Master’s students with an approved thesis proposal on file at UGS are required to be continually enrolled in dissertation (3) or thesis (1) credits. Students receiving graduate assistantships, however, must be registered for 9 credits during the fall and spring semesters and 6 credits in the summer semester.

Leaves of Absence
Leaves of Absence are requested using the Petition for Exception to Graduate Requirements. Leaves of absence must be clearly justified and are approved on a case-by-case basis. The Petition for Exception must be initiated by
the student’s academic program. The form is available electronically. Please see your academic program regarding this process.

Any student wishing to file a leave of absence must do so prior to the start of the semester in which they are seeking a leave of absence. International students must seek the guidance of the International Scholars and Student Services (ISSS) before submitting a request.

Degree Completion Time Limits
All requirements at the doctoral level, including the successful defense of a dissertation, must be completed within nine years of the start of coursework in the doctoral program. For the M.F.A. degree, all requirements including the successful defense of a thesis must be completed within eight years of the start of coursework in the Master’s program. For all other Master’s degree programs all requirements, including the successful defense of a thesis, where required, must be completed within six years of the start of coursework in the Master’s program.

Full-Time Graduate Student Status
Full-time status requires that students be enrolled for a minimum of 9 credit hours during the fall and spring semesters and 6 credits during the summer. Doctoral students who have reached candidacy who have completed all requirements except for the dissertation, and have an approved dissertation proposal on file with the University Graduate School, are considered full-time when registered for at least three dissertation credits per term. Master’s students who have reached candidacy who have completed all requirements except for the thesis are considered to be full-time when registered for 1 thesis credit per term. Students receiving graduate assistantships, however, must be registered for 9 credits during the fall and spring semesters and 6 credits in the summer semester. Financial aid packages very often require that the recipient be a full-time student. All graduate students are required to be registered every semester throughout their graduate academic career. All graduate students must take a minimum of one (1) graduate credit hour per term to maintain active status in the program. Please refer to the University’s Graduate Active and Full-time Status Policy.

Good Academic Standing
Graduate students are required by the University to maintain a cumulative grade point average (GPA) of 3.0 or higher. In addition, programs may have additional requirements that limit the number of B- or lower grades, which may be earned either in their required courses generally or in specified courses. Students should check with their program directors concerning this.

A graduate student whose cumulative graduate GPA falls below a 3.0 will be placed on warning, indicating academic difficulty. A graduate student on warning whose cumulative graduate GPA remains below 3.0 in the following semester will be placed on probation, indicating serious academic difficulty. The College or School of the student on probation may indicate the conditions which must be met in order to continue enrollment. A graduate student on probation whose cumulative and semester GPA’s fall below a 3.0 will be automatically dismissed from his or her program and the University. A graduate student will not be dismissed prior to attempting a minimum of 12 hours of coursework as a graduate student. The student has ten working days to appeal the dismissal decision. This appeal must be made in writing to the Dean of the University Graduate School. To appeal, the student must submit a Petition for Exception, which must be initiated by the student’s academic program. The form is available electronically. Please see your academic program regarding this process. The dismissal from the University is for a minimum of one year prohibits students from registering for any courses. After one year, the student may apply for readmission to the University in the same or a different

Graduation & Commencement
Graduation
The student can apply for graduation on PantherSoft under ACADEMICS. Students must be enrolled in at least 1 graduate credit the semester they apply to graduate. Please note that doctoral candidates must be enrolled in at least three dissertation credits and thesis option master’ students in at least one thesis credit. Before applying for graduation, the graduate student should consult with their academic advisor. For thesis option master’s and doctoral degree programs, it is of great importance that all the appropriate forms be filled out and handed in to UGS, and that the thesis and dissertation defense be approved by the UGS, by their respective due dates. For more UGS deadlines information, please visit: http://gradschool.fiu.edu
For general graduation information please visit the following: http://onestop.fiu.edu
Commencement
For complete details, procedures, and deadlines, please visit the Commencement website at:
http://commencement.fiu.edu/

Note: Doctoral (PhD and EdD) students receive their commencement pass/es from the University Graduate School. Only doctoral candidates who successfully defend and submit the final copies of the dissertation to the University Graduate School by the established deadline are eligible to participate in the ceremony.

Readmission
Fully admitted students who fail for any reason to enroll for three consecutive semesters including summer will be discontinued from their graduate programs. These students may not enroll for courses during any future term without being readmitted into a degree-seeking program. To apply for readmission, the student must complete a new online graduate application. Prior to completion of the readmission application, it is advisable for Master’s students to contact their program’s academic advisor. Doctoral students must contact their academic department prior to applying for readmission. For doctoral students, academic units must follow the Doctoral Readmissions Procedures. Specific information regarding the readmission process for doctoral students can be accessed at http://gradschool.fiu.edu/faculty-staff.shtml

RESPONSIBLE CONDUCT OF RESEARCH AND SCHOLARSHIP

Ethical Scholarship
FIU is committed to achieving the highest standards of integrity in scientific research and scholarship. This policy includes the conduct of research involving animals and human subjects but extends beyond these important areas. Ethical conduct of research also includes appropriate acknowledgement of contributions to scholarship and research through appropriate inclusion of collaborators on research papers and patents, careful citation of the research of others, and the honest and unbiased presentation of research results to the research community and the public.

There are notable challenges in the conduct of research on university campuses throughout the US today. These are the result of inadequate preparation of graduate students and others involved in research and scholarship to recognize the accepted standards of scientific and scholarly research or the policies and regulations that govern such research in the U.S. The University Graduate School together with the FIU Office of Research will provide workshops and training to researchers and scholars in the FIU community to assist them in recognizing, avoiding, and responding to the various types of ethical conflicts that they may encounter. Some of these include:

✓ Plagiarism — the unauthorized use or close imitation of the language and thoughts of another author and the representation that they are one’s own original work.

✓ Intellectual Cheating — involves a deception (including any academic work or scholarship conducted in one’s academic or professional career) for self-profit. Intellectual cheating may or may not appear to harm others but always advances the perpetrator unjustly.

✓ Intentional Misconduct — produces scientific results or scholarship with the objective of advancing one’s own standing or career with or without economic gain. It is unethical and violates University Policy.

The University Graduate School believes it is essential for the University and the intellectual community at large that our graduate students be fully informed and know how to respond appropriately when they encounter what they perceive to be unethical conduct.

Responsible Conduct of Research (RCR) Training Course and Exam
FIU graduate students who file thesis and dissertation proposals with the University Graduate School (UGS) must provide a training certificate documenting completion of an appropriate, discipline-specific RCR training course exam.

Instructions regarding how to access the training course can be found on the FIU Division of Research webpage at: http://research.fiu.edu/irb/pages/training.html
FINANCIAL SUPPORT FOR GRADUATE STUDY
There are several types of financial support available to graduate students. Academic Departments offer paid assistantships to their graduate students to perform research, teaching or administrative duties for the department. There are also a limited number of University-wide fellowships, which include Presidential Fellowships, Presidential Enhanced Assistantships, Doctoral Evidence Acquisition Fellowships and Dissertation Year Fellowships. These are overseen by the University Graduate School. Students are nominated for these awards by their programs. In addition, many graduate programs have fellowships directly available. Finally, there are a few need-based federally supported fellowships available to students. Students should visit the Financial Aid Office website to obtain information on eligibility criteria, deadlines, and required forms: http://www.fiu.edu/orgs/finaid/

ASSISTANTSHIPS

Graduate Assistants
Many graduate programs have assistantships available to support graduate students. These generally provide full or partial tuition support and salary and are available on a competitive basis. A full assistantship requires 20 hours of work per week. The assistantships generally fall into three categories, either teaching (TA), research (RA) or administrative (GA). The awards vary per program, and summer awards have a different rate structure than regular academic year awards. Students interested in applying for an assistantship should contact their graduate program director as soon as possible.

Graduate Assistant Health Insurance
Florida International University provides subsidized health insurance to all graduate assistants holding a full-term appointment for 20 hours per week. All Graduate Assistants are required to participate in this health insurance plan unless their insurance company will certify equivalent coverage. Gallagher Koster will administer the health insurance provided to Graduate Assistants. For information, visit the Gallagher Koster site at: https://www.gallagherkoster.com/students/

Work Hours and Outside Employment Restrictions
GA/TA/RA’s may not be assigned to work more than 20 hours per week or take on outside employment without the written approval of the Dean of the University Graduate School.

Required course loads for GA/TA/RA’s
All GA/TA/RA’s must enroll for a minimum of 9 graduate credit hours in the fall and spring terms, and 6 graduate credit hours in summer.

Termination or Curtailment of an Appointment
All students holding an award receive a letter of appointment, which sets forth the conditions under which the award is valid. An appointment may be terminated for a number of reasons. These may include, but are not limited to, failure of the appointee to perform duties specified in the letter of appointment; failure of the appointee to maintain a satisfactory student status; failure of the appointee to make satisfactory progress towards his/her degree; or due to incompetence or misconduct on the part of the appointee.

For additional information regarding Graduate Assistantships, please visit us at: http://gradschool.fiu.edu/current-students-grad-assistants.shtml or contact Betty Sigler at bsigler@fiu.edu or (305) 348-0394

FELLOWSHIPS
Website: http://gradschool.fiu.edu/fellowships.shtml

UGS Fellowships:
- Presidential Fellowships are intended to recruit exceptional graduate students to enroll full time in a doctoral degree program at Florida International University. A recipient of a Presidential Fellowship receives a stipend of $30,000 per twelve months for three years, provided that the student makes excellent progress in his/her degree program. The UGS will provide a tuition fee waiver for 24 credits for all 3 years of the fellowship.
FIU McNair Graduate Fellowships (deadline 3/1) provides annual tuition up to $5,000 (tuition above this amount is waived by the participating institution) for each of three academic years plus an annual stipend of $12,000. (An additional two years of support at this same level is provided by the participating institution.) Applicants must be African American or Hispanic, U.S. citizens, and hold a minimum of a bachelor’s degree from a regionally accredited college or university. Because this program is intended to increase enrollment in Ph.D. programs, currently enrolled doctoral students are not eligible to apply.

Doctoral Evidence Acquisition Fellowships support doctoral students who have no financial support for evidence acquisition activities or those students for whom their current means of financial support would significantly interfere with or preclude their ability to collect the evidence needed for their doctoral research.

Dissertation Year Fellowships provide support to highly-qualified FIU doctoral students during the data analysis and writing phase of their dissertation.

For information regarding Fellowship opportunities, please visit us at: http://gradschool.fiu.edu/current-students-graduate-funding.shtml or contact Michael Dudley at dudleym@fiu.edu or (305) 348-4711.

GRADUATE STUDENT OPPORTUNITIES

Graduate Advisory Board (GAB)
The GAB is charged with conveying graduate student needs - personal, professional and academic - programming ideas and policy concerns to the UGS. While the Graduate & Professional Student Committee (GPSC) is the recognized advocacy group for graduate students at FIU, the GAB works with the GAB to gather input from an array of students and disciplines. The structure for the GAB includes student representation from GPSC, various GSOs, SGA and diverse academic disciplines. For more information on the GAB, please contact Magnolia Hernandez in the University Graduate School: mehernan@fiu.edu or 305-348-1905.

Graduate & Professional Student Committee (GPSC)
This Committee helps facilitate and enhance the overall graduate student experience, by advancing the University’s academic goals, assisting in the expansion of graduate programs, and promoting quality teaching and research efforts. They also work in conjunction with other organizations and departments in order to present educational workshops coordinating symposiums and scholarly forums, and facilitating funding workshops to assist students with securing funding for professional development and conference travel. Location: MMC, GC 2202. Phone: 305-348-3023. E-mail: gpsc@fiu.edu More information about the GPSC can be found at http://gpsc.fiu.edu

Student Government Association (SGA)
The SGA is the governing student body at FIU and advocates for all students at the university. Graduate students can hold senator and other positions within the SGA. For more information on getting involved with the SGA, contact 305-348-2121.

UM/FIU Exchange Program
FIU Doctoral students and master’s students in the LACC programs have the opportunity to complete up to six credits at the University of Miami as members of an exchange program between FIU and the University of Miami. The program gives students a larger selection of courses to choose from and allows students at UM and FIU to take advantage of the educational and research opportunities at both institutions. All students who are fully admitted into a doctoral program or LACC master’s program may participate in this program. Students can choose from any course at the University of Miami provided the course is not already offered at FIU and is not a limited access course.
FIU students participating in the program continue to pay FIU tuition and fees for the courses they take at the University of Miami (i.e., they will only be assessed regular FIU tuition and fees). Students are limited to taking a maximum of six graduate credits within the program. Interested students can find more information and the program application by contacting Karla Ortega in the University Graduate School at ortegak@fiu.edu or (305) 348-2455.

GRADUATE STUDENT RESOURCES

UGS Professional Development Program
The graduate student Professional Development Program (PDP) seeks to assist students in their career development by serving as a gateway to campus resources and providing direct services. The PDP supplements research skills provided by graduate programs with four competencies—academic writing and communication, professoriate training, leadership, and well-being. The PDP complements the efforts of established University resources, such as the Center for Excellence in Writing, Office of Career Services, and the Center for the Advancement of Teaching. To learn more about the UGS professional development program, please visit us at: http://gradschool.fiu.edu/current-students-professional-development.shtml

Center for the Advancement of Teaching
The Center for the Advancement of Teaching is dedicated to providing FIU’s Teaching Community—full-time faculty, adjuncts, and graduate teaching assistants—with resources and support needed to encourage the highest quality of teaching and learning throughout the university. Through individual, group, and campus-wide programming, the Center keeps the teaching community abreast of pedagogical developments, maintains and provides a wide array of resources on teaching and learning, and supports teachers in enhancing their teaching. Please visit the Center’s website for more information: http://undergrad.fiu.edu/cat/

Center for Excellence in Writing (CEW)
The CEW offers individual consultations about any writing students do throughout their years at FIU. Whether brainstorming, drafting, revising or polishing, writing consultants can assist students with most written projects. The CEW also programs several workshops throughout the year specific to graduate students. For more information, please visit their website: http://w3.fiu.edu/writingcenter/default.htm or call (UP) 305-348-6634 or (BBC) 305-919-4036.

International Student & Scholar Services
The University maintains an Office of International Student and Scholar Services http://isss.fiu.edu/ The ISSS office provides advisors to help international students with problems concerning visa status, employment, as well as cultural and social concerns, and similar matters. The ISSS office may be reached at (305)-348-2421 GC355 (University Park) or at (305)-919-5813 WUC255 (Biscayne Bay Campus).

The ISSS office maintains the Student Exchange Visitor Information System (SEVIS) of the Department of Homeland Security tracking system for the University. All new and/or transfer international students MUST attend a MANDATORY orientation program before the start of their first semester, and MUST report to the ISSS office within the first week of the start of classes.

Employment (International Students)
The legal regulations governing employment for F-1 students are complex and subject to change. An F-1 student should contact an advisor at the ISSS office to determine under what conditions he/she may seek employment. All forms of employment require the F-1 student to obtain a social security number. **Students cannot receive salary money before this number is obtained.** The student should contact the ISSS office to obtain application information and materials.

University Police’s Anonymous Reporting Website: http://police.fiu.edu/Silent_Witness.php
CRIME PREVENTION

Crime can happen on campus just as it can happen in the community. Don't take chances and don't take your safety for granted. You can protect yourself against crime by taking these simple precautions:

- Keep your door locked at all times.
- Always find out who is knocking before opening the door. Look through the peephole or ask who it is before you open the door.
- Never leave the apartment/room door propped open.
- Always close the apartment/room windows when you vacate the apartment/room. Do not leave any valuables within reach of an open window.
- Keep your keys safe. Don’t lend your key to anyone and don’t leave keys lying around.
- If the key is lost or stolen, report it to the Complex Office Front Desk immediately so that the lock can be changed.
- Have your keys ready before you get to your door or your car, especially after dark.
- Always report any suspicious activity to Public Safety.
- Don’t walk alone, especially at night.
- Avoid dark paths or shortcuts. Always use public walkways.
- Carry identification at all times.
- Let your roommate(s) know where you are going and when you will return.
- If you are the victim of a crime, report the incident to Public Safety immediately.

“STAY-IN PLACE” POLICY

This policy is implemented in the event the University declares an emergency (severe weather warning, threat to air quality, etc.) which requires all resident students to remain in the Residence Halls. During such an event the Residential Life staff and the University Police will advise students to remain within their assigned living unit. Once the order is given to “Stay-In Place” students will not be permitted to exit the building until University officials determine the threat to health and safety to be under control.

ESCORT SERVICES

Security Escorts provide a service for students and staff seven nights a week, from 7:00 PM to 1:00 A.M during the regular academic year. Summer hours are from 8:00 AM to 10:00PM (Public Safety will provide an escort outside these hours if one is requested). The escort service is staffed by FIU students and staff. If you need an escort call (305) 348-6173 and give your name and location. Depending on the volume, at times this service is not available. Priority is given to students who are using the service for their safety versus a means of transportation.

FIRE PROCEDURES

How to prepare for a fire emergency: Pre-plan your evacuation route; locate the nearest alarm pull station; locate the nearest fire extinguisher; and become familiar with how to use it appropriately. Fire drills are conducted regularly. In case of smoke or fire, pull the nearest alarm. Report the location of the fire to University Police at MMC (305) 348-5911 or BBC (305) 919-5911. All residents must evacuate the building when an alarm is sounded. Residents are required to follow the direction of University officials during an evacuation. Residents are to assemble in a parking lot at least fifty yards away from the building. Failure to do so will result in disciplinary action.

FIRE ALARMS/FIRE EQUIPMENT

Each housing complex is equipped with a fire alarm system that is regularly inspected and approved by the state. Smoke detectors are located in every unit. Emergency lights are located in the hallways and stairwells of each complex. Fire extinguishers are located in the hallways of each complex. Residence Hall rooms/suites are equipped with an emergency call box and fire stops in kitchen.

Removing or interfering with the use of fire safety equipment, such as fire extinguishers and smoke detectors, is a third degree felony under Florida Statute 806.10 and is prohibited in Housing. Setting off fire alarms is prohibited by
Florida Statute, Section 806.101, and is a misdemeanor. If a resident disconnects or tampers with smoke detectors, fire sprinklers or fire alarms, a fee of $150.00 will be assessed and damages assessed for property loss / clean-up cost. Items may not be hung from or block fire sprinklers or smoke detectors. Recovery costs associated with damage resulting from activating a sprinkler may be assessed to the responsible individuals.

**SEVERE WEATHER WARNINGS**

In the case of a severe weather warning, residents should close all windows, blinds and curtains, and stay clear of window openings or doors with glass panels. All electrical appliances should be unplugged. Adhere to the instructions of Residential life stall members and University officials.

**HURRICANE PROCEDURES**

In the event a hurricane warning is declared by the University, all resident students will be directed to evacuate the residence halls. All students must abide by shelter policies and remain until the University withdraws the emergency order. Failure to comply with University officials during an emergency event will result in disciplinary action.

Once an emergency is declared, the FIU-HELP ((305) 348-4357) line is activated and information is provided to update the community on the status of the University. In addition, information can also be obtained online at http://www.fiu911.org

All resident students are strongly encouraged to establish an evacuation plan in the event the University or Dade County issues an evacuation order. Upon the issuance of an evacuation order, all residents will be directed to seek shelter. Students from the immediate Dade Broward area will be instructed to return home for the duration of the hurricane event. Those resident students from outside the immediate local area (100 miles) will be sheltered in a designated Hurricane Evacuation Center along with select personnel. Sheltered students should prepare to bring a minimum of three days supply of water and food. Once you establish your evacuation plan, please inform your Resident Assistant.

**SAMPLE HURRICANE KIT**

Each student living in Housing should prepare a Hurricane Kit which can be easily accessed in the event of an emergency. Here is a sample of items which should be included in your kit:

- **Water** – at least 1 gallon daily per person for 3 to 5 days
- **Food** – at least enough for 3 to 5 days. Suggested items: non-perishable packaged or canned food / juices, snack foods, non-electric can opener, paper plates / plastic utensils
- **Clothing** – seasonal / rain gear / sturdy shoes, be sure to include a blanket and pillows, etc.
- **First Aid Kit / Medicines / Prescription Drugs**
- **Toiletries / Hygiene items** – Flashlight / Batteries
- **Cash** – Banks and ATMs may not be open or available for extended periods.
- **Books and Games**
- **Important Documents** – in a water proof container, Insurance, medical records, etc.

**LIABILITY RENTER’S INSURANCE**

For the protection of personal belongings, students are encouraged to maintain insurance on those items that are being brought to campus (see Personal Property Insurance above). The University is not liable for damage to or loss of personal property, or failure or interruption of facilities. The University is insured under the State of Florida’s self-insurance trust fund which only provides liability for damages or injuries caused by negligence on the part of the University or its employees while working within the scope of their employment. The trust fund will not reimburse for losses created by unforeseen accidents/injuries that may occur. Students are encouraged to secure their own health and personal property loss insurance.
SURVEILLANCE CAMERAS AND WEB CAMERA
The Housing and Residential Life department has deployed several surveillance cameras throughout the residence halls in building entrances, lobby areas and elevators. These cameras are not monitored by the staff and are used to document daily activities in the event a record is needed to aid in an investigation. A Web camera has been deployed by the Housing and Residential Life department. The camera provides the opportunity to view the housing complex and the campus remotely from any computer connected to the internet. You can visit the web camera at http://cam.fiu.edu.

SECURITY PHONES
Phones, identified by a blue light, are located in various locations throughout campus. If you have concerns for your safety, are in danger or wish to have a security escort, simply open the box and follow the instructions posted. The phones are connected directly to University Police.

PANTHER SAFETY TRAM
The Student Government Association has teamed up with Parking & Transportation to ensure you feel safe on campus. The Panther Safety Tram provides escorts around campus at the Modesto A. Maidique Campus and Biscayne Bay Campus. Call the Visitor Information Center at (305) 348-6173 for service at both MMC and BBC (please specify your name, building/location, and which campus you need an escort provided.)

The hours during the regular academic year (Fall and Spring) are Monday–Friday from 7:00PM to 1:00AM. The summer hours are from Monday–Friday 8:00AM to 10:00PM. University Police will provide an escort outside these hours if one is requested. The escort service is staffed by FIU students and staff. Depending on the call volume, this service may have a delay. Priority for this service is given to disabled student, faculty, and staff members.

“PANTHER MOVER” SERVICE
To accommodate for university expansions, Parking & Transportation has provided shuttle transportation that runs in consistent rotation between the Panther Garage and the Primera Casa building (PC) on the Modesto Maidique Campus. This free service enables the utilization of remote parking spaces. The shuttle is continuous and stops along the route to pickup additional passengers. The hours of operation are Monday – Friday 9:00AM to 7:00PM.

Housing Policies & Standards Of Conduct

OVERVIEW
University Housing residents are responsible for abiding by all University policies, which include the following Housing regulations. These Regulations should be read broadly, and are not designed to define misconduct in exhaustive terms. Students are responsible for being familiar with and abiding by all policies contained within the Student Code of Conduct. The policies listed in this section are provided as a partial summary for Housing residents. Refer to the policies and regulation section of the Student Code of Conduct for further explanation. The University does not want to discourage Students from seeking medical assistance. Therefore, Students involved in the event may not be charged with the possession or consumption of alcohol if one of them calls for assistance for themselves or others who have participated or witnessed the event. Other charges related to the incident (e.g., alcohol distribution, or other non-alcohol charges) may be pursued at the discretion of the SCCR Director.

The University recognizes that Students may need medical assistance due to excessive use of drugs but may hesitate to seek assistance because they themselves or others who may have participated or witnessed the event may be charged with violations of this Code. The University does not want to discourage Students from seeking medical assistance. Therefore, Students involved in the event may not be charged with the possession or use of drugs if one of them calls for assistance for themselves or others who may have participated or witnessed the event. Other charges related to the incident (e.g., drug distribution, or other non-alcohol charges) may be pursued at the discretion of the SCCR Director.

Although hazing is typically related to a person’s initiation or admission into, or affiliation with, a Student or Greek Organization, athletic team (intramural, club or intercollegiate), extracurricular activity, or any other University group or organization, it is not necessary to have direct proof that a person’s initiation or continued membership is contingent upon participation in the activity for a charge of hazing to be upheld. The actions of either active or associate members (pledges) of an organization may be considered hazing. Hazing includes, but is not limited to:
   - Interference with a Student’s academic performance
   - Forced consumption of any food, alcohol, controlled substances, drugs, or any other substance

Policies & Regulations

fear, distress, or intimidation to a reasonable person or would place a reasonable person in fear of injury or death.

Conduct that is sufficiently severe, pervasive, or persistent that a reasonable person would be adversely affected to a degree that interferes with or limits his/her ability to participate in or benefit from the services, activities, or opportunities offered by the University school when such conduct is based on race, color, national origin, gender, disability, or any status protected by federal or Florida law.

4. Interference with the freedom of another person or group to move about in a lawful manner.

(n) Sexual Misconduct
1. Non-consensual sexual contact which is any sexual touching with any object by any person upon another without consent. Sexual touching is contact of a sexual nature, however slight.
2. Obscene or indecent behavior, which includes, but is not limited to, exposure of one’s sexual organs or the display of sexual behavior that would reasonably be offensive to others. Other forms of obscene or indecent behavior include sexual exhibitionism, prostitution or the solicitation of a prostitute, peeping or other voyeurism (video or otherwise), and going beyond the boundaries of consent, e.g., by allowing others to view consensual sex or the nonconsensual video or audio taping of sexual activity.
3. Sexual harassment constitutes, in the aggregate, incidents that are sufficiently pervasive, persistent, or severe that a reasonable person would be adversely affected to a degree that interferes with his/her ability to participate in or to realize the intended benefits of a University activity, employment, or resources. Sex-based cyber harassment and sexual violence also constitutes sexual harassment. Sexual violence refers to physical sexual acts perpetrated against a person’s will or where a person is incapable of giving consent due to the usage of drugs or alcohol or intellectual or other disability. Sexual violence includes rape, sexual assault, sexual battery, and sexual coercion. Sexual coercion is defined as the act of using pressure or force to have sexual contact with someone who has already refused. Sexual assault constitutes the non-consensual sexual intercourse which is any sexual intercourse by any person upon another without consent. It includes oral, anal and vaginal penetration, however slight, with any object.

Consent means informed, freely given agreement, communicated by clearly understandable words or actions, to participate in each form of sexual activity. Consent cannot be inferred from silence, passivity, or lack of active resistance. A current or previous dating or sexual relationship is not sufficient to constitute consent, and consent to one form of sexual activity does not imply consent to other forms of sexual activity. By definition, there is no consent when there is a threat of force or violence or any other form of coercion or intimidation, physical or psychological. A person who is the object of sexual aggression is not required to physically or otherwise resist the aggressor; the lack of informed, freely given consent to sexual contact constitutes sexual misconduct. Intoxication is not an excuse for failure to obtain consent. A person incapacitated by alcohol or drug consumption, or who is unconscious or asleep or otherwise physically impaired, is incapable of giving consent.

4. Retaliation against or harassment of someone alleging sexual misconduct or otherwise obstructing the reporting of sexual misconduct or the participation in proceedings relating to sexual misconduct.

The University recognizes that Students may be hesitant to report sexual misconduct because they themselves (or witnesses they identify) may be charged with violations of other provisions of the Code (e.g., alcohol or drugs).
The University may not pursue a disciplinary action for an alcohol or drug violation against a Charged Student, the Complainant, or any Student(s) who may have witnessed the incident.

3. (a) Initiating Charges: Any person or entity (including University departments, offices, officials, community members, etc.) may submit information regarding an alleged violation(s) of the Student Conduct Code for review by the SCCR in the following ways:
1. Filing a police report with the University Police Department or requesting that a report from another law enforcement agency be sent to the University Police Department.
2. Providing a signed SCCR incident report (see http://www2.fiu.edu/~sccr/ for report) with accompanying supporting witness(es) statements and/or documentation to the office listed below based on the stated factors:
   a) If the incident occurred in any of the University's residential housing, submit the incident report to the Office of Residential Life.
   b) If the incident involved a member of a Greek Organization and/or occurred in one of the On-Campus Greek houses, submit the incident report to Sorority and Fraternity Life.
   c) If the incident occurs elsewhere and does not fall within the categories of (a) or (b) above, submit the incident report to the SCCR.
3. The SCCR Director will determine, in his/her discretion, whether further fact finding is needed and whether there is enough information to file charges and which Hearing Body is appropriate to handle the matter. When two or more Charged Students are charged in the same incident, the appropriate Hearing Officer, in his/her discretion, may hold a separate hearing for each Charged Student or may hold a joint hearing.
4. When a police or incident report relates to a charge of sexual misconduct, the SCCR Director will inform the University's Title IX Coordinator for the purpose of compliance with federal regulations. The SCCR will advise the Complainant of the referral. The SCCR Director will advise the Title IX Coordinator of the results of the fact finding that SCCR conducts.
(b) Filing Time: Anyone may file an incident report of an alleged Code violation with the applicable office designated in (a)(2) of this section within ninety (90) calendar days of the incident or obtaining knowledge about the incident, whichever is later. However, the SCCR Director may extend this filing time in certain cases, including but not limited to, stalking, sexual misconduct, domestic violence, endangerment, or where the delay may be related to issues of victimization or beyond the control of the University.
(c) Written Notice (Charge Letter): The Charged Student, Student Organization, or Greek Organization will be given a Written Notice of the Charges no less than five (5) Business Days prior to the hearing, unless waived by the student, or shortened in the case of an Interim Suspension. The Written Notice will include the following:
1. Notice of the charge(s), including specific code section(s) which constitutes the alleged violation(s) of the Student Conduct Code, and any other detail in order to prepare for a Student Conduct proceeding; and
2. An opportunity to attend an information session.
(d) Information Session: An information session is designed to provide the Charged Student, Student Organization, or Greek Organization with information about the hearing process and his/her or its rights as well as giving access to the documents supporting the charge available at that time.
1. The Charged Student, Student Organization, or Greek Organization will have an opportunity to review all information in the Student Conduct file at the information session with his/her or its Advisor (if any), including the names of witnesses to be called and the information to be used in the Student Conduct matter.
   a) Subsequent to the information session, the SCCR Director or Hearing Officer may conduct any further fact finding regarding the incident that is subject to the charge. This information will be communicated to the Charged Student prior to the hearing.
2. The Charged Student, Student Organization, or Greek Organization will also receive information regarding the resources available for preparing for the hearing.
3. If a Charged Student, Student Organization, or Greek Organization fails to respond to a request to schedule an information session and/or fails to attend a scheduled information session, the Charged Student, Student Organization, or Greek Organization will be deemed to have waived his/her right to an information session. Under those circumstances, a hearing may be
scheduled in the Charged Student’s absence. Failure to attend to an information session will result in the SCCR Director determining the type of hearing. The hearing type will be determined based on the severity of the possible sanctions (e.g., suspension/expulsion cases will be referred to the Student Conduct Committee).

4. If the Charged Student fails to attend the information session, the SCCR Director may place a hold/service indicator on the Charged Student’s record until the conclusion of the hearing. If sanctions are imposed as a result of the hearing, the hold/service indicator will be retained until the Charged Student fulfills all of the sanctions.

The University has the right to review any information the Charged Student, Student Organization, or Greek Organization intends to use at a hearing at least three (3) Business Days before the Student Conduct proceeding.

(8) TYPES OF HEARINGS

Two (2) types of hearings are provided by the Student Code of Conduct: formal and informal.

(a) Informal Hearing:

1. An informal hearing is only available when the Charged Student, Student Organization, or Greek Organization waives the right to a formal hearing and requests that the Hearing Officer conducting the information session determine the findings and sanctions if applicable. The Hearing Officer reserves the right to conduct fact finding to make an informed decision. When the possible sanctions include suspension or expulsion, or there is a Complainant with rights defined in the Complainant’s Rights section, an informal hearing is not an option.

2. If a Charged Student, Student Organization, or Greek Organization waives the right to a formal hearing conducted, he/she or it must indicate the waiver in writing.

3. The following apply to an informal hearing:
   a) The meeting(s) will not be recorded.
   b) The written decision will serve as the official record of informal hearings.
   c) The written decision will be sent to the Charged Student within fourteen (14) Business Days from the conclusion of the Hearing Officer’s deliberation.

4. If the Student does not choose the summary resolution (or the option is unavailable), the Student may indicate his/her preference for one of the two (2) types of formal hearings.

(b) Formal Hearings. The formal hearings are: 1) an Administrative hearing, or 2) the Student Conduct Committee hearing. All procedures described in the Hearing Procedures section apply to these types of hearing.

1. An Administrative hearing is conducted by a Hearing Officer who serves as the Hearing Body.

2. A Student Conduct Committee hearing is conducted by a committee which serves as the Hearing Body. The committee is comprised of two (2) Students and one (1) faculty or staff member. A Hearing Officer will moderate the hearing.

(c) The SCCR Director retains the discretion to ultimately determine which hearing forum is appropriate.

(d) All hearing(s) will be conducted in private.

(9) HEARING NOTIFICATION

(a) Scheduling. Hearings may be scheduled during class periods. Every effort will be made to avoid a class conflict; however, due to availability of persons involved in the hearing and a room, it may not be possible.

(b) Hearing Notice. The notice of a hearing including date, time, and location will be sent to the official University email address of the Charged Student, or to the official University email address of the President of the Student Organization or Greek Organization at least five (5) Business Days prior to the hearing. The Hearing Officer has the discretion to provide notice through additional means. The receipt of the hearing notice through the official University email will constitute full and adequate notice under the Student Code of Conduct. The Charged Student, Student Organization, or Greek Organization may waive the notice period by indicating the waiver in writing.

1. The notice will include the names of witnesses to be called and information to be used in his/her or its matter.

2. The hearing notice will indicate whether the Hearing Officer received any additional information to be used in the hearing after the information session was conducted and will indicate when the additional information may be viewed.

3. The notice will also indicate the name(s) of the Hearing Body member(s).

(c) Challenging a Member of the Hearing Body/Change of a Hearing Body Member.

1. The Charged Student, Student Organization, or Greek Organization has the right to challenge the inclusion of any member at least three (3) Business Days prior to the scheduled hearing. The challenge must be in writing and must show actual bias (such as a conflict.
of interest, animosity, pressure, or influence) that would preclude a fair and impartial hearing. The Hearing Officer will determine whether to grant such challenge in his/her discretion, and such decision is final.

2. If a Hearing Body member is unable to serve due to an emergency or unforeseeable occurrence, the Hearing Officer may appoint a new Hearing Body member prior to the scheduled hearing. The Charged Student, Student Organization, or Greek Organization may challenge the inclusion of this member at the time of hearing. The challenge must be on the basis outlined above.

(d) Request for a Postponement. Any request to postpone a hearing must be submitted in writing or by email and must be received by the SCCR Director at least 24 hours prior to the hearing and must state the reason(s) for the request. The granting of such requests shall be at the discretion of the SCCR Director. The University is not required to postpone a Student Conduct proceeding pending the outcome of a criminal prosecution.

(10) ADVISOR FOR THE CHARGED STUDENT, STUDENT ORGANIZATION, OR GREEK ORGANIZATION

(a) The Charged Student, Student Organization, or Greek Organization may be accompanied by an Advisor of his/her or its choosing and at his/her or its expense.

1) If the Charged Student, Student Organization, or Greek Organization is the subject of a pending criminal matter arising from the same incident, the Charged Student, Student Organization, or Greek Organization may have an attorney as an Advisor provided that the attorney complies with the same restrictions imposed on any other Advisor.

2) It is the responsibility of the Charged Student, Student Organization, or Greek Organization to make appropriate arrangements for the Advisor to attend the proceeding. The proceedings shall not be delayed due to scheduling conflicts of the chosen Advisor.

3) The Charged Student, Student Organization, or Greek Organization is responsible for presenting in person his/her own information, and therefore, Advisors are not permitted to speak or to participate directly in any Student Conduct process.

4) Although Charged Student, Student Organization, or Greek Organization may consult with his/her or its Advisor during the hearing, this consultation must take place in a manner that does not disrupt the proceedings.

5) The Advisor chosen by the Charged Student, Student Organization, or Greek Organization cannot be a witness in the matter.

   12. Deliberation by the Hearing Body is not part of the hearing.

   13. Prior Student Conduct records, character statements, and/or Complainant impact statements are considered only in determining the appropriate sanction(s).

   14. The Student Conduct Committee will make a recommendation of the decision and sanctions to the Hearing Officer. The Hearing Officer may take one of these actions with respect to the recommendation:

       1. Adopt;
       2. Modify;
       3. Reject the decision and sanctions; or
       4. Remand for a rehearing.

   15. The Hearing Officer will include the reasons for any differences between the recommendations of the Committee and the Hearing Officer’s final decision as part of the decision letter.

   16. A formal decision letter will be sent to the Charged Student, Student Organization, or Greek Organization within fourteen (14) Business Days from the conclusion of the Hearing Body’s deliberation. The hearing decision will include the decision, sanctions imposed (if applicable), and the right to appeal.

   2. Endangerment
   3. Personal Abuse
   4. Stalking
   5. Hazing

3. To be present throughout the entire hearing or any portions thereof. If the Complainant does not want to be present in the same room as the Charged Student, the Hearing Officer will make alternative arrangements, if possible.

4. Testify in limited privacy. In lieu of testifying in person or via telephone, the Complainant may submit a written or recorded statement. The determination of whether the testimony will be given in limited privacy is made at the discretion of the SCCR Director in consultation with the University Victim Advocate.

5. Submit a written impact statement to the Hearing Body. This information will be used only in the sanctioning phase of deliberations if the Charged Student is found responsible for the charge(s).

6. Be notified of the final determination to the extent permitted by law. Be notified of the final determination in cases involving alleged sexual misconduct. If the alleged Complainant is deceased as a result of a crime of violence or non-forcible sex offense, the University will provide the results of the disciplinary hearing to the Complainant’s next of kin, if so requested.

7. A Complainant of sexual misconduct is entitled to a review by the Title IX Coordinator to determine whether the Complainant is also entitled to a remedy under Title IX which is not available under the Student Conduct Code. The SCCR Director will forward the Title IX Coordinator a copy of the decision letter on the same day that the Charged Party and Complainant receive the letter.

8. Appeal the decision using the process described in Appeals Section.

(c) Support and Assistance Programs. The University provides support and assistance programs for Complainants through its Victim Advocacy Center (see website http://vac.fiu.edu).

14. Sanctions

(a) In light of the facts and circumstances of each case, the following sanctions or combination of sanctions (with or without appropriate modifications) will be imposed upon any Charged Student and/or Student/Greek Organizations found to have violated the Student Code of Conduct. Sanctions will be commensurate with the offense with consideration given to any aggravating and mitigating circumstances, including but not limited to the Charged Student’s conduct record.

1. Written Reprimand—the University takes official notice that such actions are inappropriate and not in accordance with our community standards.

2. Service Hours—assignment to complete task(s) or service(s) under the supervision of a University department or outside agency.

3. Educational Activities—attendance at educational program(s), interview(s) with appropriate officials, written research assignments, planning and implementing educational program(s), or other educational activities.

4. Restrictions/No Contact Order—the requirement that the Charged Student and/or friends have no contact with the Complainant. This restriction can be imposed at any time during the Student Conduct process.

5. Counseling Consultation—referral for consultation with the University Counseling and Psychological Services (or a licensed psychologist/psychiatrist if the Charged Student is no longer enrolled when sanctioned or is seeking readmission) for alcohol/drug dependence, general mental health or other counseling issues. Charged Student must follow through with recommendations made by the University Counseling and Psychological Services or licensed psychologist/psychiatrist, as applicable. The Charged Student must permit the consulting professional to provide official documentation on letterhead verifying attendance and to share the recommendations with the SCCR.

6. Psychological Evaluation—referral for an evaluation and recommendation by a licensed psychologist or psychiatrist which may include the University Counseling and Psychological Services Center. The Charged Student must follow through with any recommendations made by the psychologist or psychiatrist. owned or in possession of the University or other persons. Any such payment on restitution will be limited to actual cost of repair or replacement.

8. Fees—requirement to pay all fees associated with any sanction delivered (e.g., counseling consultation, psychological evaluation, educational seminars/programs, etc.).

9. Residence Hall Reassignment—required change in University residence hall assignment. The Charged Student will be responsible for any additional charges for the new Housing assignment.

10. On-Campus Housing Exclusion—exclusion from University residence halls or Greek houses for a specified length of time. A Charged Student that is excluded from the residence halls is not eligible for fee reimbursement of pre-paid fees.

11. Restrictions/Loss of Privileges—restrictions or loss of privileges which may be imposed upon a Charged Student for a specified amount of time, including but not limited to, participation in Student activities, University or Student events, representation of the University on athletic teams, or in other leadership positions, presence at University residence halls or other areas of campus, contact with specified person(s), participation as a peer advisor, resident assistant, or elected/appointed Student leadership in Student government; and/or participation in study abroad or alternative break programs. Additional restrictions on University privileges and/or activities may be imposed on the Charged Student based on his/her current or potential future activities.

12. Restrictions/Loss of Privileges (Student/Greek Organization Only): For an organization, restrictions or loss of privileges including, but not limited to, participation in Student activities, social events, intramural activities, alcohol functions, or facilities. This does not affect an individual’s status with the University or attendance at classes unless the individual has been charged and sanctioned independently of the Charged Student/Greek Organization.

13. Conduct Probation—a temporary interruption of the Student’s status with the University. A Charged Student that is on conduct probation is considered not in good standing with the University, resulting in applicable restrictions on privileges and/or activities including, but not limited to, prohibited from participating in study abroad or alternative spring break, as a peer advisor, resident assistant, or elected/appointed Student government or other organizational leadership position. Additional restrictions on University privileges and/or activities may be imposed on the Charged Student based on his/her current or potential future activities. The conduct probation period is a time for the Charged Student to reflect on his/her behavior and demonstrate that he/she can once again be a responsible Member of the University Community. While on conduct probation, further violations of the Student Code of Conduct or other University Policies may result in suspension or expulsion.

14. Conduct Probation (Student/Greek Organization Only)—temporary interruption of the organization’s status with the University. An organization that is on conduct probation is considered not in good standing with the University, resulting in applicable restrictions on privileges and/or activities including, but not limited to, participation in or exclusion from Student activities, social events, intramural activities, alcohol functions, or facilities. Further violations of IFC, PC, NPHC, or MGC Policies, Student Code of Conduct or other University Policies may result in suspension or expulsion of the Charged Student/Greek Organization from the University. This does not affect an individual’s status with the University or attendance at classes unless the individual has been charged and sanctioned independently of the Charged Student/Greek Organization.

15. Deferred Suspension—period of time in which suspension is temporarily withheld or withheld pending completion of other sanctions by a specified deadline date. A Charged Student on deferred suspension is considered not in good standing with the University, resulting in applicable restrictions or privileges including, but not limited, to prohibited from participating in study abroad or alternative spring break, as a peer advisor, resident assistant, or elected/appointed to a Student government or other organizational leadership position. Additional restrictions on University privileges and/or activities may be imposed on the Charged Student based on his/her current or potential future activities.

If the Charged Student fails to fulfill the sanctions described in the decision letter (including failure to timely fulfill the sanction), the Charged Student will no longer be considered on deferred suspension but will be automatically suspended with no further appeal. If a Charged Student commits another violation of the Student Conduct Code while on deferred suspension, the Charged Student will be taken through the conduct process for that additional violation.

16. Deferred Suspension (Student/Greek Organization Only)—period of time in which the organization’s suspension is temporarily withheld or withheld pending completion of other sanctions by a specified deadline date. An organization on deferred suspension is considered not in good standing with the University, resulting in applicable restrictions or privileges and/or activities including, but not limited to, participation in or exclusion from Student activities, social events, intramural activities, alcohol functions, or facilities. If the organization fails to fulfill the sanctions described in
the decision letter (including failure to timely fulfill the sanction), the organization will no longer be considered on deferred suspension but will be automatically suspended with no further appeal. If the organization commits another violation of the Student Conduct Code while on deferred suspension, the organization will be taken through the conduct process for that additional violation. This does not affect an individual’s status with the University or attendance at classes unless the individual has been charged and sanctioned independent of the Student/Greek Organization.

17. Suspension—separation from the University for a specified period of time. A Charged Student is considered not in good standing with the University while suspended. The Charged Student may not attend classes and is banned from being on or in any On-Campus Premises. The suspended Charged Student is also banned from participation in any FIU sponsored/related event or activity. This sanction is recorded on the Charged Student’s academic transcript during the period of suspension. A Charged Student that is suspended from the University is not eligible for tuition and or registration fee reimbursement except as provided by University Policies. The Charged Student will be administratively withdrawn from courses and will lose respective credit hours.

18. Suspension (Student/Greek Organization only)—separation from the University for a specified period of time. An organization while suspended is considered not in good standing with the University. A suspended Organization may not participate in any University activities or events and is not recognized as a University organization during the suspension period. This does not affect an individual Student’s status with the University, academic area or attendance at classes unless the individual Student has been charged and sanctioned independently of the Student/Greek Organization.

19. Expulsion—permanent separation from the University with no possibility of readmission. This sanction is recorded on the Charged Student’s academic transcript permanently. A Charged Student is considered not in good standing with the University after being expelled. The Charged Student may not attend classes and is banned from being on or in any On-Campus Premises. The expelled Charged Student is also banned from participation in any FIU sponsored/related event or activity. A Charged Student that is expelled from the University is not eligible for tuition and/or registration fee reimbursement except as provided by University Policies. The Charged Student will be administratively withdrawn from courses and will lose respective credit hours.

20. Expulsion (Student/Greek Organization Only)—Permanent separation from the University with no possibility of re-chartering or re-registering. An organization that has been expelled is considered not in good standing with the University. An expelled organization may not participate in any University activities or events and is not recognized as a University organization. This does not affect an individual Student’s status with the University, academic area or attendance at classes unless the individual Student has been charged and sanctioned independently of the Student/Greek Organization.

(b) Violations of the Student Code of Conduct that are motivated by prejudice toward a person or group because of such factors such as race, religion, ethnicity, disability, national origin, age, marital status, gender, sexual orientation or any group/class protected by state or federal law may result in stronger sanctions.

(c) Sanctions take effect immediately unless appealed.

(d) Proof of the completion of the sanction(s) should be provided as directed in the decision letter. It is the responsibility of the Charged Student or Student/Greek Organization to ensure that proof of completion is provided by the specified time. Failure of the Charged Student or Student/Greek Organization to provide proof by the specified date may result in a charge of failure to comply, will result in the placement of a Student Conduct hold on the Student’s academic records, and will result in suspension if the Charged Student or Student/Greek Organization had been on deferred suspension.

(15) APPEALS

(a) Appellate Officer. The appellate officer for all appeals is the Vice President.

(b) Appeal Form/Basis for Appeals. The Charged Student, Student/Greek Organization, or a Complainant of sexual misconduct, endangerment, personal abuse, stalking, hazing, a crime of violence, or non-forcible sex offense (if any) wishing to appeal must complete the appeal form in full, indicating the basis for the appeal, explain in detail the reasons for the appeal, and attached supporting relevant documentation. The burden of proof rests with the person appealing to clearly demonstrate the reason for appeal as set forth below. Appeals are not a re-hearing of the Student Conduct matter but only a file and/or document review. The reason for the appeal must be at least one of the following:

1. Violations of the appealing party’s rights or other failure to follow the Student Conduct procedures that substantially affected the outcome of the initial hearing. Appeals based on this reason will be limited solely to a review of the record of the hearing.

2. New information, which was not available at the time of the hearing and would not have been presented. In addition, the appealing party must show that the new information could have substantially affected the outcome.
3. The severity of the sanction is disproportionate to the nature of the offense.

(c) Appeal Requests. All appeals must be written and submitted using the appeal form available from the SCCR or via the following website: http://www2.fiu.edu/~sccr/appeal_process.html.

1. The person wishing to appeal must complete the appeals form in full and send it to the Appellate Officer within seven (7) Business Days of the receipt of the hearing decision. If the appeal form is submitted and/or signed by any other individual than the appealing party, it will not be accepted.

2. The SCCR will notify the Complainant of sexual misconduct, endangerment, personal abuse, stalking, hazing, a crime of violence, or non-forcible sex offense of a sexual misconduct, a crime of violence, or non-forcible sex offense (if any) if the Charged Student appeals, and vice versa. Both parties may submit a written statement.

(d) If a hearing decision is not appealed within the timeframe, the original decision becomes Final Agency Action.

(e) The Charged Student’s Status Pending Appeal. Once an appeal is requested, the sanctions will be stayed and will not take effect until the appeal process has been completed. If no appeal is requested, the sanctions will take effect immediately. A Charged Student shall remain eligible to attend classes and University activities pending the appeal. If a Charged Student’s privileges are temporarily revoked and the Charged Student is subsequently found not responsible for the violation, the University must to the extent possible:

1. Correct any record of the change in enrollment status in the Charged Student’s permanent records and reports in a manner compliant with state and federal laws; and

2. Refund to the Charged Student a pro rata portion of any charges for tuition, and out-of-state fees, as appropriate, relating to the temporary revocation or suspension which affected the Charged Student’s ability to attend classes for more than ten (10) Business Days.

(f) Appellate Review/Decision:

1. No person may hear or decide an appeal if he/she conducted or participated in the Student Conduct proceeding being reviewed on appeal.

2. The Appellate Officer shall first determine if sufficient grounds for the appeal exists and then, if so, may either deny the appeal, thus sustaining the initial decision and sanction(s), or do one of the following:

   i. If the basis of the appeal is that the severity of the sanction was disproportionate to the nature of the offense and the Appellate Officer finds the appealing party proved his/her allegation, the Appellate Officer may modify the sanction.

   ii. If the basis of the appeal is that there was a violation of the appealing party’s rights or other failure to follow the Student Conduct procedures that substantially affected the outcome or that there was new information which was not available at the time of the hearing and could not have been presented, which would have substantially affected the outcome and the Appellate Officer finds that the appealing party proved his/her allegation, the Appellate Officer will order a new hearing.

(g) Written Decision on Appeal. The appellate decision is issued in writing to the Charged Student, Student/Greek Organization and the Complainant of sexual misconduct, endangerment, personal abuse, stalking, hazing, a crime of violence, or non-forcible sex offense (if any) within twenty-one (21) Business Days of receipt of the written request for appeal unless notification is given that additional time is necessary for consideration of the record on appeal.

(h) Effect of the Final Appellate Decision. The decision of the Appellate Officer constitutes Final Agency Action. In the case of a suspension or expulsion of a Charged Student, the decision of the Appellate Officer will include notice to the Charged Student of the Charged Student’s right to appeal to an external judicial forum.

(16) INTERIM SUSPENSION

In situations where the Vice President determines that an emergency exists which affects the health, safety, or welfare of the Charged Student, Student Organization, Greek Organization or University community, an interim (temporary) suspension will be imposed. This includes, but not limited to, sexual misconduct, physical assault, hazing, possession of a firearm or explosives, illegal drug possession, and other acts of a similar nature. A Charged Student, Student Organization, or Greek Organization under Interim Suspension is considered not in good standing with the University, resulting in applicable restrictions on privileges and/or activities. The Charged Student may not attend classes. The Charged Student, Student Organization, or Greek Organization is also banned from being on or in any On-Campus Premises and from participation in any FIU sponsored/related event or activity. A Complainant of sexual misconduct, endangerment, personal abuse, stalking, hazing, a crime of violence, or non-forcible sex offense (if any) will be notified of the Interim Suspension of the Charged Student and will have the same rights as the Charged Student to participate in the subsequent Student Conduct Committee Hearing described in this section.

(a) The Charged Student under Interim Suspension shall not be allowed on Campus except with the permission of the University Police Chief or designee.
(b) Once an Interim Suspension is imposed, a formal Student Conduct Committee Hearing must be held within a reasonable time. The Interim Suspension does not replace the regular process, which shall proceed on the normal schedule, up to and through a Student Conduct Committee Hearing, if required.

(17) RECORDS
(a) Decision letters (e.g., hearing outcome, sanctions and appeals) of all Student Conduct matters, including Housing/Residential Life and Sorority and Fraternity Life, will be maintained in the SCCR.
(b) Complete Student Conduct records regarding cases heard by Housing/Residential Life will be maintained by the Director of University Housing/Residential Life. Complete Student Conduct records regarding cases heard by IFC, NPHC, PC, and/or MGC will be maintained in the Office of Sorority and Fraternity Life.
(c) Complete Student Conduct records of Student Organizations or clubs will be maintained in the SCCR.
(d) The release of Student Conduct records will be governed by applicable federal and state laws regarding the privacy of education records.
(e) The SCCR may place a Student Conduct hold on the records and registration of any Student who has a pending Student Conduct matter, including any outstanding sanctions. Charged Students may not be allowed to graduate, receive grades or have transcripts released until pending Student Conduct matter(s), including any outstanding sanctions, are resolved.
(f) The official University email address on file with the University’s Registrar’s Office will be used for all Student Conduct notices sent to the Charged Student. For Student/Greek Organizations, the official University email address on file with the University Registrar’s office for the organization’s respective President will be used. The Hearing Officer may, in his/her discretion, decide to send the notices via additional means (e.g., overnight delivery, etc.).
(g) Expulsion will be noted permanently on a Student’s academic transcript. Suspension will be noted on the Student’s transcript during the period of suspension.
(h) Student Conduct files are kept for seven (7) years from the date of the last incident(s) that the Charged Student or Student/Greek Organization was involved in that resulted in charges of the Student Conduct Code. However, in the case of expulsion or suspension the files shall be permanently retained.
(i) Students may have access to the information in their Student Conduct file by submitting a written request to the SCCR Director. The access will be provided in accordance with federal and state laws regarding the privacy of education records and University regulation (see Florida International University Regulation 108).

(18) AUXILIARY AIDS AND SERVICES
Students with disabilities as defined by the Americans with Disabilities Act requiring special accommodations should notify the SCCR and the Office of Disability Services for Students in writing at least three (3) Business Days prior to the hearing.

(19) MEDIATION
(a) All matters processed through SCCR are not required to go through formal or informal hearings. An overall goal of the SCCR is to provide a learning process which entails understanding and respecting the rights of others. An avenue utilized by the SCCR to foster mutual respect and understanding when differences arise is mediation. Mediation through SCCR is an informal and confidential process.
(b) Mediation is utilized where the incident in question is minor in nature, and the parties involved chose not to proceed with formal charges through the University Student Conduct system. The SCCR reserves the right to determine if formal charges will be filed or whether mediation is the appropriate venue in each matter.
(c) Mediation cases handled through SCCR will not be identified or filed as a Student Conduct matter. Mediation records will be maintained separate from Student Conduct files and will not be recorded or reported as part of a Charged Student’s record. All mediation files are confidential and will not be released without written consent except in cases where the conduct or behavior is a repeat offense. In repeat cases, this information is only released to the Hearing Officer or committee conducting a formal hearing and only used if the Charged Student is found responsible for a violation of the Student Code of Conduct.
(d) Mediation files are kept for seven (7) years from the date of the mediation.
(e) Incident(s) considered serious in nature and, consequently not suitable for mediation, include, but are not limited to: sexual misconduct, endangerment, personal abuse, stalking, hazing, a crime of violence, or non-forcible sex offense illegal drugs, alcohol, weapons, or other violations of federal, state and local ordinances.

(20) Interpretation and Revision
(a) Any question of interpretation or application of the Student Code of Conduct shall be referred to the Vice President for final determination.
(b) The Student Code of Conduct shall be reviewed periodically by a committee which shall include Student representation under the direction of the SCCR Director.
Policies & Regulations

INVOLUNTARY WITHDRAWAL POLICY

1. A student who poses a serious danger of imminent or serious physical harm to himself/herself or others at the University will be involuntarily withdrawn from the University by the Vice President for Student Affairs or his/her designee upon appropriate consultation with a team consisting of the Executive Director of FIU Health, the Director of Counseling and Psychological Services, or their respective designees, and other University officials as deemed necessary.

2. The Vice President or designee reserves the right to impose an immediate and temporary withdrawal, prior to the review of all information. In such cases, the student shall be offered an opportunity to discuss the matter with the Vice President for Student Affairs or his/her designee, immediately prior thereto, and shall be offered the opportunity to provide documentation from an appropriate healthcare provider who has conducted a proper assessment of the student and concluded that the student does not pose a serious imminent threat of harm to himself/herself or others.

3. A student subject to involuntary withdrawal is entitled to the following:
   a. Notice of intent to remove the student pursuant to this policy stating the reasons for the action.
   b. The opportunity to present relevant information for consideration of his/her case personally or by a health professional working with that student, if the student is not capable of self-representation.
   c. The opportunity to have an advisor of the student’s own choice accompany the student.
   d. A student who is involuntarily withdrawn shall receive a refund of fees per University policy.
   e. Students who are involuntarily withdrawn from the University shall have a hold placed on their records, which will prevent them from being readmitted or reenrolled in the institution except as stated in this paragraph. A student may request readmission or reenrollment at the University by providing the Vice President of Student Affairs, or designee, with documentation from an appropriate healthcare provider who has conducted a proper assessment of the student and concluded that the student does not pose a serious threat of harm to himself/herself or others. In cases where the Vice President or designee has imposed other conditions for readmission, it is the responsibility of the student to provide documentation of compliance with such conditions.

4. A student who is not involuntarily withdrawn may be subject to conditions to continue enrollment at the University. In such cases, the student will be provided with a written summary of conditions and must meet all conditions in order to maintain student status. A student who fails to meet such conditions will be subject to involuntary withdrawal by the Vice President or designee, or will be subject to charges through the University’s judicial process for failure to comply.

5. The current medical withdrawal process should not be used to handle withdrawals related to mental health issues where an imminent threat is evident (e.g., the student has been hospitalized under the Baker Act) or a violation of the Student Code of Conduct has allegedly occurred. The above policy and procedure will instead be applied.

6. All university housing residents who are hospitalized under the Baker Act, must be examined by a psychologist at the Counseling and Psychological Services Center. The student will not be allowed to reside in university residence halls pending the assessment (per the Housing Agreement). The student may be required to undergo a psychological evaluation in order to remain in or return to university residence halls. If a psychological evaluation is required, the student may not remain or return to university residence halls unless the psychologist conducting the evaluation determines that the student does not pose a significant present or imminent threat to himself/herself or others, and it is reasonable to assume the student can function independently in a residential community. Following this evaluation, the student who remains or is allowed to return to university residence halls, must comply with the recommendations of the evaluating psychologist in order to continue to reside in university residence halls. Following the same process, the Vice President or designee will implement the involuntary withdrawal policy for students deemed incapable of residing in university residence halls.

The goal of this Policy is to balance our respect for an individual’s rights with the need to maintain a safe, productive, and drug-free environment. The intent of this policy is to send a clear message that illegal drugs and alcohol abuse are incompatible with studying or working at Florida International University, and to offer a helping hand to those who may need it.

Therefore:

1. It is a violation of this Policy for any person to possess, sell, trade, distribute or offer for sale illegal drugs or to otherwise engage in the use of illegal drugs on campus or within a 200 foot perimeter of University owned, leased, operated or controlled property.

HEALTH RISKS ASSOCIATED WITH ALCOHOL AND SUBSTANCE ABUSE

Productivity, academic performance, work quality, motivation, judgment, and safety may all be adversely affected by an individual’s abuse of alcohol and drugs.

There are many physical and mental health risks associated with the abuse of alcohol and other drugs. Further, the effects of substance abuse extend from the user to their family, friends and colleagues. A brief summary of various substances most typically abused, and their psychological and physiological effects is provided below. Additional information regarding any of following websites [www.fiu.edu/~health](http://www.fiu.edu/~health) or [www.fiu.edu/~oea](http://www.fiu.edu/~oea).

ALCOHOL

Statistics show that alcohol abuse is involved in the majority of violent behavior incidents on college campuses including date rape, vandalism, fights and driving under the influence.

Alcohol abuse results in:
- Impaired judgment and coordination
- Aggressive behavior
- Impairment in learning and memory
- Respiratory depression, coma, and death when combined with other depressants

Persistent abuse of alcohol can lead to physical dependence, such that sudden cessation of intake usually results in life-threatening withdrawal symptoms, including severe anxiety, hallucinations, tremors, and seizures. Prolonged alcohol abuse is frequently associated with poor nutrition, brain and liver damage. Women who drink during pregnancy may give birth to infants with irreversible physical abnormalities and the mental retardation condition termed Fetal Alcohol Syndrome.

Research shows that children of alcoholic parents are more likely to abuse alcohol themselves.
Policies & Regulations

NARCOTICS
Heroin, Morphine, Codeine, Demerol, Percodan
1. Narcotics initially produce a feeling of euphoria followed by drowsiness, nausea, and vomiting.
2. Users may experience constricted pupils, watery eyes, and itching.
3. An overdose may produce slow and shallow breathing, clammy skin, convulsions, coma, and death.
4. Tolerance to narcotics develops rapidly and dependence is likely.
5. Intravenous injection may cause HIV/AIDS, hepatitis, and cardiac disease.
6. Addiction in pregnant women can lead to premature, stillborn, or addicted infants who may exhibit withdrawal symptoms.

INHALANTS
1. Many psychoactive substances are inhaled as gases of volatile liquids. Some commercial products such as paint thinners and cleaning fluids are mixtures of volatile substances, inhalation of which result in a great variety of symptoms.
2. Immediate effects of inhalants include nausea, sneezing, coughing, nosebleed, fatigue, lack of coordination, and loss of appetite. They may also obstruct airways causing death.
3. Solvents and aerosol sprays may decrease heart and respiratory rates and impair judgment.
4. Amyl and butyl nitrate cause rapid pulse, shot eyes, dry mouth, and hunger.
5. Long-term use may result in hepatitis, brain damage, weight loss, fatigue, electrolyte imbalance, and muscle weakness.
6. Repeated use of inhalants may permanently damage the nervous system.

MARIJUANA
The effects associated with marijuana use include:
- An increase in heart rate and blood pressure, blood-shot eyes, dry mouth, and hunger.
- Impairment of short-term memory and concentration, altered sense of time, and decreased coordination and motivation.
- Psychological dependence.
- Lung cancer, and chronic lung disease after long-term use.

“CLUB DRUGS” (GHB, Rohypnol & Ecstasy)
1. GHB is an illegal depressant, available as a liquid or powder that is used to cause relaxation and anesthesia. Some of the adverse effects of GHB are listed below:
   - Used to facilitate rape (it is odorless and tasteless, therefore it can be slipped into someone’s drink without detection) because it causes impairments in judgment, sleepiness and amnesia.
   - Liver failure
   - Seizures which can result in coma and even death
   - Respiratory failure and/or arrest
   - Severe nausea and vomiting
2. Rohypnol, also known as “Roofies”, is a strong depressant drug, commonly known as a “Date Rape” drug.
   - When ingested in conjunction with alcohol or other drugs, effects begin within 3 minutes and peak within 2 hours. These effects may persist for up to 8 hours or more, depending upon the dosage.
   - Adverse effects associated with the use of Rohypnol include decreased blood pressure, memory impairment, drowsiness, visual disturbances, dizziness, confusion, gastrointestinal disturbances, and urinary retention.
   - In South Florida, the street names for rohypnol include, “circles”, “Mexican alium”, “rib”, “roach-2”, “roofies”, “roopies”, “rope”, “ropies”, and “ruffles”.
3. MDMA, also called “Adam”, “ecstasy”, or “XTC”, is a synthetic, psychoactive (mind-altering) drug with amphetamine-like and hallucinogenic properties. Some of the adverse effects of MDMA are listed below:
   - Psychological difficulties, including confusion, depression, sleep problems, drug craving, severe anxiety and paranoia
   - Muscle tension, involuntary teeth clenching, nausea, blurred vision, rapid eye movement, faintness, and chills or swelling
   - Increased heart rate and blood pressure
   - Long-term brain damage

COCAINE
1. Cocaine use produces psychological and physical dependencies. Regular users rapidly develop tolerance which results in the need to take larger doses to achieve the same initial effect.
2. Cocaine stimulates the central nervous system and its immediate effects include elevated blood pressure, heart rate, respiratory rate, and body temperature.
3. Occasional use can cause a runny nose while chronic use can result in ulceration and rupture of the mucous membrane in the nose.
4. Injecting cocaine with contaminated needles can transmit HIV/AIDS, hepatitis, and other infectious diseases.
5. Cocaine use may lead to high-risk behaviors with consequences such as unwanted pregnancies and motor vehicle accidents.
6. Cocaine use during pregnancy may result in the birth of a cocaine-addicted baby who may experience withdrawal symptoms shortly after birth, mental retardation, and/or permanent mental and physical disabilities.
7. Crack, a concentrated form of cocaine, is extremely potent. Its effects are evident within seconds. Physical effects include heart palpitations, elevated pulse and blood pressure, loss of appetite, insomnia, dilated pupils, tactile hallucinations,
paranoia, and seizures. Preparation of free-base, which involves the use of highly volatile solvents, can result in a fire or explosion. Dependency is highly likely.

AMPHEMATINES AND OTHER STIMULANTS
1. Symptoms of stimulant abuse include increased heart and respiratory rates, elevated blood pressure, dilated pupils, excessive perspiration, headache, dizziness, sleepiness, anxiety, and loss of appetite.
2. When consumed in large quantities, palpitations, irregular heartbeat, tremors, loss of coordination, coma, and death may result.
3. Regular use can lead to an amphetamine psychosis that includes hallucinations, delusions, and paranoia.

HALLUCINOGENS
1. Lysergic acid (LSD), mescaline, and psilocybin cause illusions and hallucinations. Physical effects include rapid heart rate, increased blood pressure, dilated pupils, tremors, and insomnia. Psychological effects include panic, confusion, suspicion, anxiety, and flashbacks.
2. Phencyclidine (PCP) produces dramatic behavioral alterations, memory and speech difficulties, depression, paranoid and violent behavior, and hallucinations. Large doses of PCP may produce convulsions, heart and lung failure, coma, and death. Inability to perceive pain may allow an individual to cause themselves severe harm.

ANABOLIC STEROIDS
Closely related to the male sex hormone testosterone, anabolic steroids may be prescribed for a limited number of medical conditions such as severe burns and certain types of anemia and cancer. However, more than 70 psychological and physical side effects may result from steroid abuse, including:
- Liver disease
- Growth problems
- Bone fusion
- Acne
- Cancer
- Testicular atrophy
- HIV/AIDS (sharing needles)
- Psychological problems
- Rage and uncontrolled anger
- Sexual dysfunction, sterility and impotence

BARBITURATES AND TRANQUILIZERS
1. The effects of depressants are similar to those of alcohol.
2. The use of depressants can cause both physical and psychological dependence. Tolerance may result after regular use. Withdrawal symptoms, ranging from anxiety to seizures and death, result from abrupt termination of abuse.
3. Women who abuse depressants during pregnancy may give birth to babies who are physically dependent. These babies often have birth defects, behavioral problems, and may develop withdrawal symptoms shortly after birth.
4. Large doses can cause slurred speech, impaired coordination, and altered perception. Very large doses can cause respiratory depression, coma, and death. Even small doses of depressants, when combined with alcohol, are likely to produce the symptoms described above.

UNDERGRADUATE ACADEMIC MISCONDUCT DEFINITIONS AND PROCEDURES
INTRODUCTION
Undergraduate students at Florida International University are expected to adhere to the highest standards of integrity in every aspect of their lives. Honesty in academic matters is part of this obligation. Academic integrity is the adherence to those special values regarding life and work in an academic community. Any act or omission by an undergraduate student, which violates this concept of academic integrity and undermines the academic mission of the University, shall be defined as academic misconduct and shall be subject to the procedures and penalties that follow.

DEFINITION OF ACADEMIC MISCONDUCT
Academic misconduct is defined as the following intentional acts or omissions committed by any FIU undergraduate student:

Cheating: The unauthorized use of books, notes, aids, electronic sources; or unauthorized use of on-line exams, library materials or assistance from another person with respect to examinations, course assignments, field service reports, class recitations; or the unauthorized possession of examination papers (or on-line examination) or course materials, whether originally authorized or not. Any student helping another cheat may be found guilty of academic misconduct.

Plagiarism: The deliberate use and appropriation of another’s work without any indication of the source and the representation of such work as the student’s own. Any student who fails to give credit for ideas, expressions or materials taken from another source, including internet sources, is guilty of plagiarism. Any student helping another to plagiarize may be found guilty of academic misconduct.

Misrepresentation: Intentionally lying to a member of the faculty, staff, administration, or an outside agency to gain academic advantage for oneself or another,
Charges may be filed by the aforementioned persons on another's program(s). Bribery: The offering of money or any item or service to a member of the faculty, staff, administration or any other person in order to commit academic misconduct. Conspiracy and Collusion: The planning or acting with one or more fellow students, any member of the faculty, staff or administration, or any other person to commit any form of academic misconduct together. Falsification of Records: The tampering with, or altering in any way any academic record used or maintained by the University. Academic Dishonesty: in general, by any act or omission not specifically mentioned above and which is outside the customary scope of preparing and completing academic assignments and/or contrary to the above stated policies concerning academic integrity. Any violation of this section shall first require a determination as to whether the act or omission constitutes academic misconduct.

The definition and procedure do not address: 1) Issues related to sexual harassment, or discrimination based on age, sex, sexual orientation, religion, race, marital status, national origin or disability. The Equal Opportunity Programs (EOP) Office is responsible for handling such issues in accordance with procedures developed to comply with the Florida Equity Act; 2) Issues related to research misconduct. If the graduate student alleges unauthorized utilization of thesis, dissertation or research materials by a professor, resolution of the issue must be sought using the University Research Misconduct policy, and; 3) Issues related to professional misconduct. If the student is dismissed from a course or program due to violation of a professional code of conduct, those decisions are addressed at the school or college level.

**ACADEMIC MISCONDUCT PROCEDURES**

All matters relating to Academic Misconduct among undergraduate students are referred to the Dean of Undergraduate Education or designee.

**FILING CHARGES**

Charges of Academic Misconduct may be brought against a student (hereafter Charged Student) by a faculty member, a chair, or a dean (hereafter Complainant). Charges may be filed by the aforementioned persons on behalf of a staff person, another student, or a person not affiliated with the University, who reasonably believes that a student has committed academic misconduct. If a student, staff, or a person not affiliated with the University observes a student committing an act of Academic Misconduct, he/she must first inform the appropriate faculty member, chair, or College/School dean (hereafter Complainant). The Complainant, who suspects academic misconduct, must meet with the student in order to inform him/her of the allegation(s), to provide any evidence, and to allow the student to respond, before either entering into an Informal Resolution, as described below, or filing the Complaint Form Alleging Academic Misconduct with the Dean of Undergraduate Education or designee.

The student’s academic status will remain unchanged pending the outcome of either an Informal Resolution, or the University’s final decision in the outcome of the Formal Procedure, except where the Dean of Undergraduate Education or designee determines that the safety, health, or general welfare of the student or the University is involved. When a final grade for a course may be involved, a grade of I should be assigned, pending the University’s final decision in the matter. A Charged Student’s ability to register for future semesters will be temporarily placed on hold until the Dean of Undergraduate Education or designee is assured that the student is satisfactorily responding to the charges. If the Charged Student is satisfactorily responding to the charges, he/she will be allowed to register and his or her current academic status will remain unchanged, pending the University’s final decision in the student disciplinary proceeding.

**INFORMAL RESOLUTION**

An informal meeting between the Complainant and the Charged Student to resolve the matter outside of the formal hearing procedures will normally occur within fourteen (14) calendar days. The offering of money or any item or service to a member of the faculty, staff, administration or any other person in order to commit academic misconduct. If the student is dismissed from a course or program due to violation of a professional code of conduct, those decisions are addressed at the school or college level.
Policies & Regulations

The purpose of the informal meeting is for the Complainant to investigate and determine whether there is sufficient evidence either to:

1. File formal charges of Academic Misconduct;
2. Reach an Informal Resolution; or
3. Take no further action.

The Complainant’s immediate supervisor should be present at an informal meeting. If an informal agreement is reached, both the Charged Student, the Complainant, and the immediate supervisor will sign a Consent Agreement form and the Complainant will file it with the Dean of Undergraduate Education or designee no later than seven (7) calendar days following the informal meeting. This form will set forth the terms and conditions of the agreement, including any sanctions allowed to be imposed. The student has three (3) business days* to cancel the agreement in writing, after which the Consent Agreement becomes binding and no further action will be called for by these procedures.

If an Informal Agreement is not reached, or is deemed inappropriate by the Complainant, the Complainant may either take no further action, or initiate a Formal Resolution by filing a Complaint Form Alleging Academic Misconduct with the Office of Undergraduate Education no later than seven (7) calendar days after the meeting.

FORMAL RESOLUTION

When formal procedures are initiated, the Dean of Undergraduate Education or designee will review the complaint for timeliness, jurisdiction, and whether there is sufficient evidence to justify a formal hearing. If the Dean of Undergraduate Education or designee determines the complaint to be within the jurisdiction of the formal process, and that it is timely, and that there is sufficient evidence, the Office of the Dean of Undergraduate Education will send the Charged Student in writing, or arrange for the student to pick up materials at the Office of Undergraduate Education, a written notice of the alleged violation(s) together with a copy of the Complaint Form and a copy of the Student Rights and Responsibilities, as outlined in the current Student Handbook. This material will be sent to the Charged Student’s last known address as listed with the Office of the Registrar. Students are responsible for providing and maintaining current contact and address information with the Registrar.

The Charged Student must respond in writing to the Office of Undergraduate Education no later than seven (7) calendar days upon receipt of notice, indicating whether he or she chooses to have his/her case resolved by Administrative Disposition or by a hearing of the Undergraduate Academic Conduct Review Board (UACRB). If the Charged Student does not respond within seven (7) calendar days upon receipt of notice, he or she will be considered to have waived his/her rights to a Board hearing, and an Administrative Disposition meeting will be arranged.

The Administrative Disposition meeting or the UACRB Hearing will normally be held within 30 calendar days following receipt of the Charged Student’s written response.

ADMINISTRATIVE DISPOSITION

A Charged Student may opt for an Administrative Disposition of his/her case. This option must be selected by the Charged Student in writing after being informed of the alleged violation(s) and notified of his/her rights. An appropriate University official, designated by the Dean of Undergraduate Education, shall then meet with the Charged Student and the Complainant and reach a decision based upon the available information, in order to conduct the Administrative Disposition.

The disposition meeting will be tape-recorded and the administrator may question both parties. The Complainant or the Charged Student may bring witnesses who will be examined or cross-examined by the administrator, the Complainant, or the Charged Student. The Charged Student may have an advisor present; however, that advisor can only advise the student and may not address the administrator directly or cross-examine witnesses.

The Charged Student will be informed of, in writing or via an arrangement to pick up at the Office of Undergraduate Education, the administrator’s decision and sanction(s), if applicable, normally within 14 calendar days following the Administrative Disposition meeting. The Charged Student may appeal the decision according to the appeal process outlined below; however, a student is not entitled to a hearing before the UACRB, nor may the Charged Student use the Student Grievance Process as a way to appeal the filing of a complaint or the outcome of an academic misconduct process.

UNDERGRADUATE ACADEMIC CONDUCT REVIEW BOARD (UACRB) HEARING

A Charged Student may opt for a hearing before the Undergraduate Academic Conduct Review Board (Board). This option must be selected by the Charged Student in writing after being informed of the alleged violation(s) and notified of his or her rights.
Prior to the hearing. The Office of Undergraduate Education will notify the student of the date of the Hearing. The Charged Student will be provided with a list of members of the Board who will hear the case.

Challenges. The Charged Student or the Complainant has the right to challenge the impartiality of any Board member and to request of the Chair that member’s exclusion from participation, stating in writing to the Chair the reasons for the request. A challenge may be exercised no more than twice. If, at the Hearing, a Board member is present who was not previously identified, the Charged Student or the Complainant has the right to challenge his/her presence at the beginning of the Hearing. It will be the Chair’s decision as to the validity of the challenge and what action should be taken.

Prior to the Hearing, the Charged Student and Complainant must submit all relevant documents and a list of witnesses no later than seven (7) calendar days before the Hearing day. Any documents received or witnesses introduced after this date may only be included at the discretion of the Chair of the UACRB.

STRUCTURE OF THE UNDERGRADUATE ACADEMIC CONDUCT REVIEW BOARD (BOARD)
The Board consists of four voting members, and a nonvoting chair. The Board is comprised of three undergraduate faculty, and two undergraduate students. A faculty member will chair the hearing. Members of any particular committee will vary, but will come from a pool of qualified faculty, and students. Faculty members are recommended annually by the Faculty Senate. Undergraduate student members will be provided by the president of the Student Government Association (SGA). All members of the UACRB pool will be trained by the Office of Undergraduate Education.

Chair’s Role. It shall be the Chair’s responsibility to conduct the Hearing, make determinations on procedural matters, and preserve the orderly and effective functioning of the Hearing. It will be the Chair's decision as to whether or not attendance of either party is mandatory. At the Chair's discretion, either party can present their case in writing. The Chair will also ensure that members of the Board remain on their fact-finding task, and that both parties and/or witnesses, in their testimony, do not become unduly repetitious or wander from relevancy. The Chair will only vote to break a tie.

Formal Hearing. Under the provisions of the Florida Sunshine Law, the Hearing will be a closed meeting. The evidentiary part of the Hearing will be tape-recorded. The Charged Student and the Complainant have the right to an advisor physically present. Advisors may consult with whomever they represent, but cannot address the Chair or Board members. Advisors cannot examine or cross examine or otherwise participate in the Hearing. Advisors may not impede the orderly and effective functioning of the Hearing.

Hearing Procedure
1. The Chair will call the Hearing to order, outline the procedures, read the charges, and entertain any challenges to Board members not previously identified.
2. The Complainant will make a statement, presenting his or her charges and providing evidence to support the charge. This statement should normally be no longer than five minutes. The Complainant may call witnesses, whose testimony should normally be no longer than five minutes each. Witnesses may only be present at the evidentiary hearing while they are testifying.
3. The Chair and members of the Board may question the Complainant and witnesses. The Charged Student may cross-examine the Complainant and witnesses.
4. The Charged Student will make a statement presenting his or her response to the charges. This statement should normally be no longer than five minutes. The Charged Student may provide evidence and call witnesses, whose testimony should normally be no longer than five minutes each.
5. The Chair and members of the Board may question the Charged Student and witnesses. The Complainant may cross-examine the Charged Student and the witnesses.
6. The Chair will ask the Charged Student and Complainant to summarize their cases. These summaries should normally be no longer than five (5) minutes each.
7. The Chair will close the evidentiary part of the Hearing and dismiss all parties. The Board will meet in a closed deliberative session. The deliberative part of the Hearing will not be tape-recorded.
8. The Board will make findings of fact and a determination of "responsible" or "not responsible" for violating the Code of Academic Integrity. This decision will be based on a preponderance of evidence provided at the hearing, with the burden of proof resting with the Complainant. Preponderance of Evidence means that evidence, considered as a whole, indicated the fact sought to be proved is more probable than not. No other evidence or information, other than that presented at the hearing, shall be considered by the Board in reaching its findings and decision. The Board will reach its decision based on a majority vote. The Chair will vote only to break a tie.
9. The Chair will communicate to the Dean of Undergraduate Education or designee the findings and decisions of the Board no later than seven (7) calendar days from the date of the hearing.
REVIEW AND COMMUNICATION OF DECISION
The Dean of Undergraduate Education, or designee, will review the Board’s proceedings, the findings, and decisions and will communicate them to the Charged Student, along with his/her final decision and the appropriate sanction(s) to be imposed, normally within 14 calendar days following the hearing date. With respect to a finding of responsible or not responsible, on the charges of violating the Code of Academic Integrity, the Dean of Undergraduate Education or designee reviewing the recommendation of the Board may only:
1. Accept the recommendation; or
2. Remand the case for rehearing.

The student may appeal the decision according to the appeal process outlined below; however, a student is not entitled to an Administrative Disposition hearing, nor may the student use the Student Grievance Process as a way to appeal the outcome of an Academic Misconduct hearing.

Right to Appeal. A student has the right to appeal the decision and action of the Dean of Undergraduate Education or designee, based on the outcome of the Board hearing or the Administrative disposition meeting for the following reasons:

1. There has been a violation of the student’s due process rights as outlined in the Academic Misconduct Hearing Procedures above
2. The severity of the sanction is not justified by the nature of the misconduct.
3. New, relevant information not available during the earlier proceedings is made available. The nature of this new information shall be described in detail.

A written communication, specifying the grounds for an appeal, must be filed with the Office of the Provost no later than fourteen (14) calendar days following receipt of the decision.

The Provost or designee shall review the appeal and take one of the following actions:

1. Dismiss the appeal and uphold the actions taken by the Dean of Undergraduate Education or designee.
2. Order a new hearing by a different UACRB or administrator
3. Amend the severity of the sanction administered.

The Provost or designee shall communicate his or her decision normally within fourteen (14) calendar days following the date the appeal was filed. Upon communication, no further action is provided for by the above procedures.

Records: It shall be the responsibility of the Office of Undergraduate Education to maintain copies of all communications, minutes, and dispositions regarding these procedures. The University shall comply with all state and federal laws regarding confidentiality of records.

A student who has a record of an Informal Resolution may petition the Dean of Undergraduate Education or designee to have the record expunged one semester prior to graduation. During the semester prior to graduation, the student must request the expungement in writing to the Dean of Undergraduate Education or designee.

All records of Formal Resolutions are permanent.

REVIEW OF ACADEMIC MISCONDUCT PROCEDURES
The Academic Misconduct Procedures will be reviewed at least every seven (7) years. This review will involve a committee appointed by the Dean of Undergraduate Education or designee, in consultation with the Chair of the Faculty Senate and the Presidents of the Student Government Association. The committee should consist of faculty, administrators, and Undergraduate students who are familiar with the Academic Misconduct Procedures. At least one-half of the committee members shall be students appointed by the Student Government presidents.

DISCIPLINARY SANCTIONS
Expulsion: Permanent separation of the student from the University preventing readmission to the institution. This sanction shall be recorded on the student’s transcript.
Suspension: Temporary separation of the student from the University for a specified period of time. This sanction shall be recorded on the student’s transcript.
(In the semester prior to graduation, the student may petition to have the record removed from the transcript).
Disciplinary Probation: Formal, written warning that the continued enrollment of the student depends on the maintenance of satisfactory citizenship during the period of probation. May also include a deferred sanction, which identifies the minimum sanction that would occur, if the student were found responsible for any future misconduct. A record of disciplinary probation and deferred sanction will be kept in the Office of Undergraduate Education.
Failing or Reduction of Grade: Failing or grade reduction for the examination, project, or course assignment involved or for the course involved. May include prohibiting the use of the Forgiveness Policy for the course.
Restitution: Reimbursement for damages incurred.
Restriction: Temporary or permanent loss of privilege of the use of a University facility or service.

Service: A requirement to render a designated number of hours of specified service to the University or community.

Counseling: A requirement to seek professional counseling in order to remain at the University.

Education: A requirement to enroll in and successfully pass a specified course or program, which is determined as appropriate by the Office of the Dean of Undergraduate Education.

Other: Other disciplinary penalties as are considered fair and appropriate.

Sanctions resulting from an informal resolution may not include Expulsion, Suspension, or Disciplinary Probation. The minimum sanction imposed on a student found responsible during a formal hearing will be failure of the course and a prohibition on the application of the Forgiveness Policy for that course. Sanctions might also include any of the sanctions listed above.

It shall be the responsibility of the Dean of Undergraduate Education or designee to keep a record and implement sanctions resulting from both the informal and formal misconduct procedures.

UNDERGRADUATE STUDENT ACADEMIC GRIEVANCE
DEFINITIONS AND PROCEDURES

PREAMBLE
Quality undergraduate education is most likely to occur in academic environments that include the following elements: effective student mentoring, informal and accessible student-faculty relations, mutual respect and collegiality, cooperation, as well as open communication and transparency. Often grievances grow out of misunderstandings or misperceptions between faculty and students regarding expectations for performance or behavior. Faculty and advisors have an obligation to ensure that undergraduate students are aware of academic expectations. Undergraduate students have a concomitant obligation to pursue diligently and to satisfy those standards. They are bound to observe and respect the policies, rules and regulations of the University, of their respective departments, and of their professors. Many grievances related to student-faculty relations should be settled informally, via open and transparent processes of communication.

Occasionally, however, a disagreement develops and persists despite the application of informal procedures to resolve the matter. Although students have the right to seek redress for academic grievances, they often forgo their rights so as not to offend professors involved in those disagreements. Students should be aware that bringing a formal grievance may have the consequence of damaging working relationships with professors, and that the straining of student-faculty relationships may impact negatively the learning environment. When all means of informal resolution have been exhausted, the parties involved must have an impartial and transparent forum in which to seek review and resolution of the academic grievance.

PURPOSE
The purpose of this policy and procedure is to provide a means for undergraduate students to seek investigation and possible resolution of academic grievances, as defined below.

SCOPE OF GUIDING PRINCIPLE
The definitions and procedures address grievances by undergraduate students in which the complaint or controversy alleges: (a) arbitrary and capricious awarding of grades; (b) unprofessional conduct by a professor that affects adversely either the student’s ability to satisfy academic expectations, whether in the classroom, a field setting, a laboratory or other setting, or the student’s actual performance; (c) inappropriate or inadequate academic advising concerning requirements not published in official University documents; (d) arbitrary dismissal from an undergraduate course or program except as described below; and (e) irregularities in the implementation of policies or procedures in grievance hearings at the college or school level.

This guideline does not address:
(a) issues related to sexual harassment, or discrimination based on age, sex, sexual orientation, religion, race, marital status, national origin or disability. The Equal Opportunity Programs (EOP) Office is responsible for handling such issues in accordance with procedures developed to comply with the Florida Equity Act;
(b) issues related to research misconduct. If the undergraduate student alleges unauthorized utilization of research materials by a professor, resolution of the issue must be sought using the University Research Misconduct policy;
(c) issues related to professional misconduct. If the student is dismissed from a course or program due to violation of professional code of conduct, those decisions are addressed at the school or college level; and
(d) issues related to grading, except arbitrary and capricious awarding of grades. Students who dispute a grade received must follow the grade appeals process established by the applicable college. The student may request further discussion at a department conference.
with the instructor and the department chair. The department chair issues a written “Statement of Action” within seven (7) calendar days from the date of the conference and delivers it to the student and the dean of the college involved. The student shall not proceed beyond the department chair’s decision except when the student can demonstrate malice on the part of the instructor, in which case the student may file a grievance under this policy.

INFORMAL ACADEMIC GRIEVANCE PROCEDURE
Undergraduate students must attempt to resolve informally an academic grievance as soon as possible. A student must initiate informal resolution procedures by contacting the professor (or administrator as the instructor of record) no later than ten (10) business days* after classes begin in the semester following that in which the complaint arose or the grievance will be deemed untimely. The student must first attempt to resolve the academic grievance through an informal meeting with the professor. If the matter cannot be resolved, or if the professor cannot be reached, the student must meet next with the department chair. If the student’s grievance is against a committee, the student must meet with the committee chairperson. If the matter cannot be resolved, the student must meet next with the department chair. The informal grievance process is terminated at the department level except when the department chair is the subject of the complaint in which case the grievance continues to the college or school dean. A mutually agreeable resolution shall be formalized through a notation in the student’s file/record which is initialed by the student and the professor or college or school dean.

FORMAL GRIEVANCE PROCEDURE
The academic grievance procedure within the Office of Undergraduate Education is initiated by filing a written complaint with the Dean of Undergraduate Education or designee. The complaint must be filed within fifteen (15) business days* of the date the informal resolution process ends, or within twenty (20) business days* after classes begin in the semester following that in which the complaint arose--whichever is later. After receipt, the Dean of Undergraduate Education or designee, in consultation with the chairperson of the Undergraduate Education Grievance Committee, will review the complaint to determine whether it falls within the scope of this policy and whether a formal hearing is warranted. When there are disputed issues of material fact which must be determined, a formal hearing is warranted. If the complaint does not fall within the scope of this policy, then the student shall be so notified in writing.

A. Undergraduate Student Academic Grievance Committee
Where a complaint falls within the scope of this policy and there are disputed issues of material fact to be determined, the Dean of Undergraduate Education or designee will refer the matter to the Undergraduate Student Academic Grievance Committee. The grievance committee will be composed of five members, two of whom should be undergraduate students selected by the Dean of Undergraduate Education or designee from a list of names supplied by the Student Government Association (SGA) and/or the academic deans. The other members of the committee shall be three fulltime faculty who have experience with undergraduate programs. They will be selected from lists supplied by the academic deans and/or the Faculty Senate. The faculty members of the committee will include two faculty from academic units outside of the school/college where the student is enrolled and where the grievance has been filed. The chairperson of the committee will be jointly selected by the Dean of Undergraduate Education or designee and the chairperson of the Faculty Senate.

B. Procedure
A hearing shall be scheduled as soon as possible but no later than forty-five (45) business days* after receipt of the grievance.

The grieving party and the professor shall be notified by the Dean of Undergraduate Education or designee in writing, of the date and time in which to appear for the formal hearing. The hearing shall be conducted with such formality as is necessary to insure the proceeding is fair and in a manner that allows both sides of the dispute to be presented. The hearing shall be recorded. At the conclusion of the hearing, the members of the committee shall have the opportunity to deliberate outside the presence of the parties. A written report including findings of facts, conclusions and recommendations shall be prepared and forwarded to the Dean of Undergraduate Education or designee. The Dean of Undergraduate Education or designee shall issue a written decision within fifteen (15) business days* of receipt of the committee’s report. The student and the professor will be sent copies of the Dean of Undergraduate Education’s determination by certified mail.

C. Appeals
Any decision of the Dean of Undergraduate Education may be appealed by either the grieving student or the professor where there is evidence that a significant impropriety in the review process occurred. The appeal must be in writing, specify in detail the alleged procedural impropriety, and must be filed in the Office of the Provost within ten (10) business days*, of the date of receipt of the Dean’s decision. The Provost or a designee shall review the appeal and the record of the formal
hearing and issue a decision within twenty (20) business days*. The decision of the Office of the Provost is final.

3. **Policies and Procedures for Access and Release.**

   Personally identifiable information contained in student education records shall be released, or open for inspection, only to the student, or parents of dependent students as defined in Section 152 of the Internal Revenue Code of 1986. “Personally identifiable” means that the data or information includes the name of a student, the student’s parent, or other family member, the address of the student, a personal identifier, such as the student’s social security number or a student number, a list of personal characteristics which would make the student’s identity easily traceable or other information which would make the student’s identity easily traceable.

   The custodian of the records shall require the student, or parents of the student when applicable, requesting access to or release of the records to present proper identification such as a valid driver’s license or passport. The request must be in writing and signed by the person seeking access or release. A copy of the request for access or release shall be retained in the student’s file. The custodian shall have thirty (30) days in which to comply with the request.

   When the record includes information on more than one student, the custodian shall release, or permit access to only that part of the record which relates to the student who is the subject of the request. Students requesting the release to others of personally identifiable information contained in the student’s education records must provide the custodian of such records with a signed, written request specifying the information to be released, the purpose(s) for such release, and the person or organization to whom such information shall be released.

   A copy of all requests for access and release shall be retained by the custodian of the records and shall be available for inspection and review by the student or a parent. The University reserves the right to deny a request for copies of education records made by a student or a parent when there is an financial obligation to the University which has not been satisfied or when there is an unresolved disciplinary action pending against the student.

4. **Access to and Release of Records Without Consent.**

   The following persons and organizations are considered “university officials” and may have access to personally identifiable information without the student’s prior consent:
(a) Faculty, administrators, staff and consultants employed by the University, the Florida International University Board of Trustees, or the Florida Board of Governors whose work involves:

Access to, or release of directory information will be withheld until further written instruction is received from the student, or the parents of a dependent student.

6. Requests to Amend Education Records.
(a) Students who challenge the correctness of student education records shall file a written request for amendment with the custodian of the records. The student shall also present to the custodian of the records copies of all available evidence relating to the data or material being challenged. The custodian of the records shall consider the request and shall notify the student in writing within fifteen (15) school days whether the request will be granted or denied. During that time, any challenge may be settled informally between the students, or the parents of a dependent student and the custodian of the records, in consultation with other appropriate University officials. If an agreement is reached, it shall be in writing and signed by all parties involved. A copy of such agreement shall be maintained in the student’s records. The original report shall be filed with the Vice-President and a copy of the recommended order shall be sent to the student or the parents of a dependent student and to the custodian of records. Upon receipt, the Vice-President shall have ten (10) days in which to issue a final determination on the issues raised in the appeal. 7. The University will charge the following fees. Fees for furnishing copies of student records and reports, or any material included therein:

Notifications are published in the University catalog, the Student Handbook and the Fall semester class schedule.

(a) Students and parents of dependent students have the right to waive their right of access to confidential letters of recommendation and other documents which evaluate student academic performance. Such waivers shall be in writing and made a part of the official academic record. A waiver of right to access shall be effective only when the student or the parents of a dependent student are notified, upon request, of the names of all persons who are submitting confidential recommendations or evaluations and when the confidential letters of recommendation and other evaluative documents are used solely for the purpose intended.

(b) The University may not condition admission to the University, grants of financial aid, or receipt of any other service or benefit offered by the University, by another public educational institution in the State of Florida or by any other public agency upon being provided a waiver of the right to access by the student or the parents of a dependent student.

10. Requests for Information in Connection with Research.

HIV/AIDS INFORMATION AND UNIVERSITY POLICY

HIV/AIDS is an infectious disease caused by the Human Immunodeficiency Virus (HIV). HIV attacks certain white blood cells called T-lymphocytes, leading to a progressively weakening immune system. Once infected, a person may have no symptoms for a variable period of time, usually five to ten years, or more. It may take anywhere from two weeks to six months or more after the initial infection, before one is able to detect the presence of antibody to HIV in the blood. However, the person is infectious and can pass the virus to others even before the HIV test becomes positive. Afterwards, symptoms may include enlarged lymph glands, low grade fevers, sweats, weight loss, fatigue, diarrhea, and loss of appetite. With continued immune system destruction, a person living with HIV may develop serious opportunistic infections or cancers, leading to the terminal phase of HIV disease, known as Acquired Immunodeficiency Syndrome (AIDS). Infections which characterize AIDS are usually caused by relatively common infectious agents, including bacteria, fungi, and other viruses. These agents take advantage of the weakened immune system of someone living with AIDS to cause potentially life-threatening infections and certain types of cancer.

HIV cannot be contracted through casual contact, like touching, hugging, kissing, or sharing eating utensils, telephones, or restroom facilities. There is no scientific evidence for transmission by mosquitoes. Transmission of the virus can only occur via unprotected sexual contact (oral, vaginal, or anal), sharing contaminated needles, direct contact with infected blood, breast milk, or from a pregnant mother to her fetus. The risk of acquiring HIV from tainted blood during a transfusion is very low since all donated blood is tested for the presence of HIV. There is absolutely no risk of getting infected by donating blood.

Certain types of behaviors increase the chances of acquiring HIV infection and include:

- Injecting drugs, using contaminated needles body piercing, tattoos;
- Being the sex partner of someone who injects drugs or shares needles;
- Being a sex partner of someone with HIV infection;
- Having multiple sex partners.

Persons who know or suspect that they are HIV seropositive are encouraged to seek expert medical care, and are ethically and legally responsible to protect others from acquiring HIV. In South Florida, there is a
higher incidence of HIV than in almost anywhere in the United States; approximately one in forty people living in Miami-Dade County is infected with HIV, with the greatest majority being asymptomatic.

To reduce your risk of exposure to the virus:
• Do not share needles;
• If you are sexually active, always use a latex condom. Only use water-based lubricants, never petroleum-based lubricants. The virus may be transmitted via the exchange of blood, vaginal fluid, and semen, and can readily occur during unprotected vaginal, anal, and oral sex. Abstinence from sexual intercourse and alcohol/drug use is the only way to remain absolutely protected. Remember, condoms need to be always used properly and they may break.
• Ask about the health of your partner and his/her past sexual activity. This is hard to do, but is very important if you want to better ensure safer sex;
• Maintain mutually monogamous relationships;
• Do not use drugs or alcohol before sex, as they impair your judgment and can depress your immune system; and
• Be certain proper sterilization procedures are followed before receiving acupuncture, tattoos and body piercing.

For more information concerning HIV/AIDS visit the FIU Health web site at studenthealth.fiu.edu

To minimize your chances of acquiring any viral illness, it is always prudent to follow a healthy lifestyle, which includes eating a diet high in complex carbohydrates and low in fats, getting adequate rest, exercising regularly, not smoking, and effectively managing stress.

HIV Counseling and Testing
Free HIV Counseling and Testing are available at FIU Health on both campuses. In addition, FIU Health also provides students with free safer sex products, such as condoms and dental dams, to prevent the transmission of sexually transmitted infections such as HIV.

Florida International University
HIV/AIDS Policy
Students and employees of Florida International University who may become infected with the HIV virus will not be excluded from enrollment or employment, or restricted in their access to University services or facilities, unless individual medical evaluation establishes that such exclusion or restrictions are necessary for the welfare of the individual and/or other members of the University community. FIU has established an HIV/AIDS Committee with membership including FIU students, faculty, administrators, and staff, as well as representatives from several community organizations committed to HIV/AIDS education and treatment. The Committee meets as needed and is responsible for monitoring the medical, psychosocial, and administrative developments regarding HIV/AIDS for the FIU community. Additional responsibilities include administration and implementation of the FIU policy in specific cases and coordination of all University educational activities emphasizing proactive prevention. In addition, the Committee will meet as needed to consider individual cases which may require University action.

STUDENTS WITH DISABILITIES
The Disability Resource Center (DRC) collaborates with students, faculty, staff, and community members to create diverse learning environments that are usable, equitable, inclusive, and sustainable. The DRC provides FIU students with disabilities the necessary support to successfully complete their education and participate in activities available to all students.

For a complete list of DRC services, visit the website at http://drc.fiu.edu

If you have a history or diagnosis of disability and plan to utilize academic accommodations, please contact the DRC.
Location: GC 190, Modesto A. Maidique Campus, (305) 348-3532;
WUC 131, Biscayne Bay Campus, (305) 919-5345.

Admissions
The Special Admission process is a means by which applicants, who does not meet the Florida International University (FIU) undergraduate admission requirements, may request special consideration.

A student wishing to be considered for admission to the university under the special admission process must first apply through the standard FIU admission process and in accordance with all deadlines specified by the Office of Undergraduate Admissions.

Next, applicants must amend their application by requesting ‘Special Undergraduate Admissions Consideration’ on the basis of a disability related academic deficiency. Applicants should include the following documents in their application amendment request:

A letter or personal statement formally requesting special admission consideration on the basis of a documented disability and supporting documentation.

This application amendment for special admission consideration must be submitted directly to the Office of Undergraduate Admissions.
The Disability Resource Center (DRC) will then consult for the Office of Undergraduate Admissions by providing evaluation on the disability documentation using guidelines established by federal and state laws and best practices set forth by the Association of Higher Education and Disability. Applicants will be determined to be “otherwise qualified” or “not otherwise qualified” based on the documentation submitted.

The special admissions committee then reviews all applications on a case-by-case basis. The Office of Undergraduate Admissions makes all final special admission decisions. The undergraduate eligibility criterion for FIU is a competitive admission process. The University is not legally obligated to lower the admission standards.

The Office of Undergraduate Admission will inform the applicant of the University’s decision.

Course Substitutions
Students with disabilities who are unable to complete the University Core Curriculum requirements should request course substitution from Undergraduate Studies. When deemed appropriate, The DRC will support and recommend that the student's request be granted.

Students with disabilities seeking academic accommodations should request them in consultation with The Disability Resource Center. The DRC will determine and recommend accommodations on a case by case basis.

Testing
The Disability Resource Center coordinates academic accommodations, which are determined on an individualized basis. Once admitted to FIU, a DRC “Welcome Appointment” can be scheduled. The “Welcome Appointment” provides an opportunity to register with the DRC. Each semester DRC students can request academic accommodations. Upon the student’s request, the DRC will email the requisite faculty the “Notification of Academic Adjustment”. DRC services include the provision of accommodations to students with disabilities for course tests and exams. These services are available to students who qualify for certain types of accommodations.

Training
The DRC and EOP will coordinate the provision of training to academic advisors and faculty members regarding best practices in accommodating students with disabilities.

Classroom Accommodation
Upon a student’s written request, DRC will notify the student’s professors of the need for classroom accommodation. DRC will assist faculty in identifying ways of meeting student needs for accommodation.

If a student requests classroom accommodation directly from the faculty member, the faculty member should contact the DRC to confirm the need for the accommodation and to identify accommodations and services that are required. Dissemination of the Policy

The University Catalog shall include notification that disabled applicants and students may apply for reasonable accommodation in admissions, programs of study, testing, and course requirements. DRC shall be listed as the contact point for initiation of such requests.

Each School/College shall display a copy of this policy in public areas where students typically gather while waiting for course advisement. Copies of the policy shall be provided to all FIU faculty, including adjunct faculty members.

Student Appeal
Students who disagree with decisions on admissions, testing, and course substitutions may file a complaint under the provisions of the Florida Educational Equity Act, through Equal Opportunity Program and Diversity Department at FIU.

FORGIVENESS POLICY
Students may repeat a limited number of courses to improve their grade point average (GPA). Only the grade received on the last repeat is used in the GPA calculation. Under the University’s Forgiveness Policy, students must file a Repeated Course Form with the Office of the Registrar. There is no time limit on the use of the forgiveness policy for grades; however, the forgiveness policy cannot be used once a degree is posted. All courses taken with the grades earned will be recorded on the student's transcript. The repeated course form will not be processed if the first or repeated grade received is ‘DR’, ‘DP’, ‘IF’, ‘WI’, ‘WP’, ‘AU’, ‘NR’ or ‘EM’. Repeated courses will be appropriately designated (T: attempted; R: last Repeat).

Undergraduate students may use the forgiveness policy a maximum of three times for the purpose of improving the GPA. The same course may be repeated up to three times or the student may use the three opportunities to apply to different courses. Only the final grade for the three courses repeated under the forgiveness policy will be counted in computing the student’s GPA. In order for a course to be considered as repeated and adjusted in the GPA, the course must be the same and must be repeated at the University. Students who have used their three options under the Forgiveness Policy may still
repeat courses; however, both the original grade and any additional grades received through repeating a course will be used in computing the GPA.

A course taken on a letter grade basis must be repeated on the same letter grade basis. Students will not be allowed additional credit or quality points for a repeated course unless the course is specifically designated as repeatable (independent study, studio courses, etc.) Students not using the forgiveness policy may still repeat a course. All attempts will apply to computation of the GPA but credit for one attempt will apply toward graduation. Students may check with the appropriate academic department to determine whether there are additional restrictions on repeating courses.

Repeat Surcharge

The 1997 Legislature passed House Bill 1545 which mandates that undergraduate students pay additional charges for the third time a student either takes or attempts a college credit course. Any undergraduate course taken, beginning Fall 1997, and all courses taken after this date will be subject to the repeat surcharge. Attempted hours mean those hours dropped/withdrawn after the drop/add period or failed. Withdrawals, incompletes and dropped courses will be subject to the tuition surcharge, if they are fee-liable. All students are included regardless of type of residency. Undergraduate courses are 1000-4000 level courses.

If you are taking a course for the third time, you will be charged with a REPEAT COURSE SURCHARGE. You may obtain and file an Appeal of Repeat Course Surcharge form from our website http://www.fiu.edu/~register. No appeal will be accepted after the deadline date.

IMMUNIZATION POLICY

As a pre-requisite to registration, Florida International University requires all students to comply with the following immunization policy regulations from the Florida Board of Governors regarding immunity of MMR, Hepatitis B, and Meningitis. If proper documentation is not provided, a student will not be able to register and will continue to have an immunization hold on his or her account.

   • Acceptable proof consists of:
     - Three (3) doses with the second dose taken at least 28 days after the first dose; the third dose must be taken at least 56 days after the second dose and at least 112 days after the first dose
     - Proof of immunity by way of a blood test lab result (Hepatitis B Surface Antibody test required)
     - Hepatitis B immunization waiver (can be waived online through my.fiu.edu for students age 18 and over)

3. Meningitis
   Prior to registration, all students who matriculated after July 1, 2008 are required to show proof of vaccination for Meningitis. This vaccine is strongly recommended, particularly for students living on campus, but not mandatory.

   • Acceptable proof consists of:
     - One (1) dose of Meningococcal Meningitis vaccine or
     - Meningitis immunization waiver (can be waived online through my.fiu.edu for students age 18 and over)

For more information about immunizations requirements, including a list of frequently asked questions, please visit our website at studenthealth.fiu.edu.

medical insurance prior to registration, of which proof must be submitted to FIU Health. Students will NOT be allowed to register for classes without complying with the medical insurance requirement, and will receive an “IMI” service indicator (health insurance hold) on their student record, as it appears in Panther Soft. “IMI” service indicators will NOT be lifted until students comply with the FIU medical insurance requirement. There are NO EXCEPTIONS to this rule.

The medical insurance requirement can be met in one of two ways:

• By purchasing the FIU Sponsored Health Insurance Plan
• By submitting an International Student Alternative Health Insurance Compliance Form completed by your current insurance company and approved by FIU Health.

FIU SPONSORED HEALTH INSURANCE PLAN

FIU partners with the State University System’s Insurance Broker, Gallagher Student Health & Special Risk, to provide international student health insurance coverage through UnitedHealthcare Insurance Company. UnitedHealthcare Insurance plans will only be available for purchase online via the Gallagher Student Health & Special Risk website. ALTERNATE INSURANCE POLICY

If you have your own insurance policy, your insurance company must complete and fax the International Student Alternative Health Insurance Compliance Form directly to FIU Health.

NOTE: The FIU Health will not be able to review any alternative health insurance plan without the Alternative Health Insurance Compliance Form. The guidelines for insurance have been established by the Florida Board of Governors and must be met. Please review the Florida Board of Governors state regulation prior to purchasing any alternative plan. The completed compliance form must verify the following:

• the coverage meets or exceeds the minimum FIU requirements
• the name, address, and telephone number of a claims agent in the United States
• you are covered under the policy
• your insurance has been pre-paid through current year

The Health Compliance Unit must receive the International Student Alternative Health Insurance Compliance Form directly from your insurance company. Your policy will be reviewed, and if it complies with the guidelines, you will be cleared to register. If your policy does not comply with the guidelines, you will not be cleared until you document insurance coverage which meets FIU requirements or purchase the FIU Sponsored Health Insurance Plan.

Medical Evacuation & Repatriation

If the alternate policy is approved subject to Medical Evacuation & Repatriation, the service indicator will not be released until this requirement is met. Students are advised to NOT purchase Medical Evacuation and Repatriation UNTIL they have proof that the alternate insurance policy was approved subject to it.

SEXUAL BATTERY POLICY

Sexual battery and attempted sexual battery will not be tolerated in any form in the University community. Acts of date rape, gang rape, acquaintance rape, marital rape, and stranger rape are all considered to be sexual battery and are punishable by the Florida Criminal Statutes and disciplined under the Student Code of Conduct. Both men and women can be victims and perpetrators of sexual battery.

Sexual battery shall be defined as oral, anal, or vaginal penetration by, or union with, the sexual organ of another or the anal or vaginal penetration of another with other objects. Sexual battery occurs without a person’s intelligent, knowing, and voluntary consent. Incidences of non-consent can include the following circumstances: a victim is physically helpless (unconscious, asleep, or physically unable to communicate his/her unwillingness), has been administered a narcotic or intoxicant without his/her knowledge, or is coerced into submission through a perceived or actual threat of force. Whether or not a victim wishes to press charges, he/she may consider the option of being treated at a Rape Treatment Center. The Jackson Memorial Hospital Rape Treatment Center and the Broward Rape Treatment Center offer counseling, medical assistance, STD and

Florida International University • campuslife.fiu.edu
pregnancy testing, and evidence collection examinations free of charge. They can retain evidence for several days while a victim decides if he/she wishes to pursue criminal charges. The JMH hotline is 305-585-7273 and the Broward County hotline is 954-761-RAPE (7273).

If a person is a victim of sexual battery or attempted sexual battery, and wishes to pursue criminal charges, he/she should either call Public Safety at 305-348-2626 or emergency 911 if the incident occurred off-campus. To press charges, it is important to save evidence by not drinking fluids, showering, douching, bathing, or changing clothing.

The FIU Victim Advocacy Center is accessible 24 hours a day for crisis intervention, counseling, advocacy, information, and referral. An advocate can be contacted by calling 305-348-3000.

FIU Counseling and Psychological Services offers counseling throughout the recovery process. Appointments can be made at MMC by calling 305-348-2434, or at BBC by calling 305-919-5305.

If the perpetrator is a student, contact the FIU judicial administrator at 305-348-3939 if you choose to pursue disciplinary action or obtain information about Student Code of Conduct violations.

It is unlawful to disclose identifying information of a person who is alleged to be the victim of Sexual Battery.

This investigation may include, but shall not be limited to, interviewing the person complained about regarding the allegations, interview of other persons who may have information relevant to the allegations, preparation of witness statements for all persons interviewed, and review of any relevant documents.

Upon completion of the investigation, a report shall be prepared which includes a summary of the complaint, a description of the investigation, the findings, and recommendations.
(c) Conciliation.

If conciliation is not achieved, then the Office of Equal Opportunity Programs & Diversity shall continue to investigate the complaint, and shall issue a written finding concerning probable cause within a maximum of one hundred (100) days. If conciliation of the complaint was achieved between the parties in cooperation with the Office of Equal Opportunity Programs & Diversity, and the alleged offender fails to abide by the agreement or retaliates against the complainant, the complainant or supervisor should notify the Office of Equal Opportunity Programs & Diversity. The Vice President for Student Affairs and Human Resources, or a designee, may require the complaint to proceed as if conciliation had not been reached.

3. The opposing party and the Assistant Vice President, Equal Opportunity Programs & Diversity may file a response to the appeal to the Vice President of Student Affairs and Human Resources within twenty (20) days of receipt of the appeal.
4. The Vice President for Student Affairs and Human Resources or designee shall issue a written finding no more than twenty (20) days after receipt of the appeal, or of a response to the appeal, whichever is later.
(f) Resolution.
Upon final acceptance by the Vice President for Student Affairs and Human Resources of a finding on the complaint, the immediate supervisor of the alleged offender may provide a reasonable resolution to the complaint (e.g., that a student be allowed to change sections, that the employee report to a different supervisor) and may also recommend or take disciplinary action against the alleged offender; the proposed resolution shall be approved by the Office of Equal Opportunity Programs & Diversity. Disciplinary action shall be taken in accordance with the rules and regulations affecting the class of employee and the terms of any applicable collective bargaining agreement.

(1) General Statement

(a) Sexual harassment undermines the integrity of the academic and work environment, and prevents its victims and their peers from achieving their full potential. All members of the University community are entitled to work and study in an atmosphere free from sexual overtures or innuendos that are unsolicited and unwelcome.

(b) It shall be a violation of this rule on sexual harassment for any officer, employee, student, or agent to sexually harass, as sexual harassment is hereinafter defined, any other officer, employee, student, visitor, or agent.

(c) When an individual evaluates or supervises another individual with whom he or she has an amorous or sexual relationship, a conflict is created. The University discourages amorous or sexual relationships between employees and students. Such relationships, even when consensual, may be exploitive, and imperil the integrity of the educational process or work environment. They may also lead to charges of sexual harassment. The University requires the resolution of any conflict of interest created by these relationships.

(d) Whenever a conflict of interest situation arises or is reasonably foreseen, the employee in a position of authority must resolve any potential conflict of interest by taking necessary steps, including removing himself or herself from evaluative decisions concerning the other individual. If he or she is unable to personally resolve the conflict of interest, he or she is required to inform the immediate supervisor, promptly, and seek advice and counsel in dealing with the conflict. The employee, along with the supervisor, is responsible for taking steps to ensure unbiased supervision or evaluation of the employee or student. Failure to resolve potential or actual conflict of interest situations as described in this rule may result in disciplinary action.

(2) Definitions

(a) For the purpose of this rule, sexual harassment is defined as any unwelcome sexual advances, requests for sexual favors or other verbal or physical conduct of a sexual nature which:

1. Makes submission to, or rejection of, such conduct, either an explicit or implicit basis for employment and/or academic decisions affecting the individual; or,

2. Unreasonably interferes with the individual's employment or academic performance by creating an intimidating, hostile, or offensive environment.

(b) Conduct which falls into the definition of sexual harassment includes, but is not limited to:

1. Unwelcome physical contact of a sexual nature such as patting, pinching, or unnecessary touching.

2. Overt or implied threats against an individual to induce him or her to provide sexual favors or to engage in an unwelcome sexual relationship.

3. Verbal harassment or abuse of a sexual nature, including intimidating by way of suggestion a desire for sexual relations, or making jokes or remarks of a sexual nature which are not germane to academic course content.

4. Use of sexually suggestive terms or gestures to describe a person's body, clothing, or sexual activities.

5. Displaying or posting through any medium, including, but not limited to, electronic communication, offensive, sexually suggestive pictures, or materials in the workplace.

(3) Procedures for Reporting Violations and Conducting Investigations and Complaints

The procedures described in the University regulation concerning non-discrimination shall be followed.

(4) Prohibition of Retaliation

No University employee shall retaliate against a complainant. Any attempt to penalize a student, employee or agent for initiating a complaint through any form of retaliation shall be treated as a separate allegation of discrimination.

(5) Frivolous or Malicious Complaints

In the event that a claim of sexual harassment is found to be frivolous or malicious, appropriate University sanctions shall be taken against the complainant, including disciplinary action where appropriate. Disciplinary action against students shall be taken in accordance with the University’s code of conduct for students.

(6) General University Responsibility

(a) It is expected that vice presidents, deans, chairs, department heads, directors, and other supervisors shall continue to monitor and take corrective action whenever instances of sexual harassment are either observed or reported to them. While the decision regarding resolution remains within the unit, all allegations of sexual harassment are to be immediately reported to the Office of Equal Opportunity Programs & Diversity, which will provide advice and monitor the administrator’s actions and/or take appropriate action.

(b) There may be instances in which a potential
complainant is unable or unwilling to pursue a complaint of sexual harassment, but where the University administration is aware of the behavior and may incur liability if action is not taken. In such instances, the Office of Equal Opportunity Programs & Diversity may choose to pursue an investigation of the alleged offense. The decision of whether or not to pursue an administrative complaint will be based on the egregiousness of the alleged offense, the basis for the aggrieved party’s decision not to pursue a complaint, and the apparent evidence supporting the allegations. The decision to pursue an administrative complaint shall be made by the director of the Office of Equal Opportunity & Diversity in consultation with the Vice President in charge of the aggrieved party’s unit and the vice president in charge of the alleged offender’s unit, in the event that the two parties are in different units. An administrative complaint will follow the same procedures as formal complaints, except that no complainant will be named.

(7) Education and Notification

(a) Copies of this rule shall be widely disseminated in order that the University Community clearly understand which acts constitute sexual harassment and recognize that the University regards sexual harassment as a serious offense.

(b) This regulation shall be included in the University catalog and the student handbook. Periodic workshops and other educational programs shall be offered to University personnel regarding the topic of sexual harassment.

Specific Authority: Resolution of the Board of Governors dated January 7, 2003. History-New 7-6-97, Formerly 6C8-1.010, Amended 9-12-08.

PARKING RULES AND REGULATIONS

Anyone who parks their vehicle on the University’s campuses needs to register their vehicle(s) with the Department of Parking & Transportation. They must obtain a decal or permit and display it as specified by the Parking Rules & Regulations. Student decals can be requested on-line by using the Parking website at http://parking.fiu.edu/. The transportation access fee paid during registration, allows a currently registered student to obtain a decal at no additional charge. These decals must be displayed and affixed to the lower left corner of the outside rear window or bumper. FIU assumes no liability for vehicles parked or operated on University property. The issuance of a decal or permit does not guarantee a space to park.

All students residing in FIU Housing complexes must obtain a current housing sticker from the Department of Parking & Transportation, which is also attainable through the website. This sticker allows the vehicle to be parked legally in student housing lots. The housing sticker should be affixed adjacent to the current student decal. Students having guests staying over in housing should pick up a housing permit from a Housing Resident Assistant.

A duplicate decal(s) may be purchased, upon request, for an additional charge and are issued for secondary vehicles. This duplicate is valid only for the vehicle under which it is registered. Duplicates are available to persons who have been issued an original decal for the semester or year. Any person who needs to use temporary transportation, a vehicle not registered with the University, must obtain a temporary permit. Temporary permits are free of charge to anyone with a valid FIU parking decal.

Students will be provided a copy of FIU’s Parking & Transportation Rules & Regulations when their decal is issued. The regulations are also posted on the Parking and Transportation website at http://parking.fiu.edu/. It is the responsibility of each student to become familiar and comply with the University’s Parking & Transportation Rules & Regulations. All questions may be answered by reviewing the website, calling (305) 348-3615, or emailing the Parking & Transportation Department at xparking@fiu.edu.

The GreenRide Carpool Program provides FIU members with closer parking on campus and alternative methods of transportation. This service is free to the FIU community. Members of the University register for the program through the website at www.fiu.greenride.com/. GreenRide allows students/ staff to contribute in saving the environment and money by carpooling with other FIU members. Once registered, members can access hundreds of potential carpool members and create their own carpool based on personal preferences. The amount of information provided is regulated by the user, and members will not see any information without your consent. All carpool members must visit the office in person to receive the carpool permits and have a valid parking decal.

Some of the most common parking violations are parking in an Executive, Administrative, or Faculty/ Staff space; parking on the roadway; parking on the grass; parking in Housing lots without a Housing permit; and parking in loading zones without a loading permit. Students are reminded that person(s) who park in metered spaces must pay the meter, even if they have a decal. Accumulation of these violations will result in the vehicle being booted or towed. Financial or graduation holds are placed on student records with multiple outstanding violations.
PANTHER SAFETY TRAM
The Student Government Association has teamed up with Parking & Transportation to ensure you feel safe on campus. The Panther Safety Tram provides escorts around campus at the Modesto Maidique Campus and Biscayne Bay Campus. Call the Visitor Information Center at 305-348-6173 for service at both MMC and BBC (please specify your name, building/location, and which campus you need an escort provided.) The hours during the regular academic year (fall and spring) are Monday - Friday from 7:00PM to 1:00AM. The summer hours are from Monday - Friday 8:00AM to 10:00PM. University Police will provide an escort outside these hours if one is requested. The escort service is staffed by FIU students and staff. Depending on the call volume, this service may have a delay. Priority for this service is given to disabled student, faculty, and staff members.

“PANTHER MOVER” SERVICE
To accommodate for university expansions, Parking & Transportation has provided shuttle transportation that runs in consistent rotation between the Panther Garage and the Primera Casa building (PC) on the Modesto Maidique Campus. This free service enables the utilization of remote parking spaces. The shuttle is continuous and stops along the route to pickup additional passengers. The hours of operation are Monday – Friday 9:00AM to 7:00PM.

IT SECURITY OFFICE (ITSO)
PROPER USE OF COMPUTERS AND NETWORKS
It’s so easy! Being a responsible network user at FIU is as easy as 1,2,3!

STEP 1: KEEP YOUR COMPUTER SECURE!
Follow these simple guidelines:

- Use strong passwords. Choose passwords that are difficult or impossible to guess but easy to remember. Give a different password to each account you have. For example, do not use the same password for PantherSoft as what you would use for your Facebook or Twitter accounts. Never write passwords down or share them with others.
- Make regular backups of critical data on your computer. Imagine losing research material or papers that you have spent hours working on. This can be easily avoided by making sure that you frequently back up the data on your computer.
- Use virus protection software. That means three things: (1) having it on your computer in the first place (FIU offers free antivirus software for all students at shoputs.fiu.edu; (2) configuring your antivirus software to automatically check for new virus signature updates daily, and (3) configuring your antivirus software to automatically scan all the files on your system at least once a week.

- Use a personal firewall as a gatekeeper between your computer and the Internet. Firewalls are usually software. They are essential for any computers that connect to a network.
- Do not keep computers online when not in use. Shut them off or physically disconnect them from the Internet.
- Do not leave your computer running and accessible to strangers or intruders. If you have to step away, lock it, enable a password protected screensaver, or just shut it off and take it with you.
- Do not open e-mail attachments from strangers, regardless of how enticing the subject line or attachment name may be. Be suspicious of unexpected e-mail attachments even from someone you know because it may have been sent without that person’s knowledge from a virus-infected computer.
- Regularly download security patches and operating system updates from your software vendors. Just as cars need tune-ups, computers need updates!

STEP 2: KEEP YOUR NETWORK ACCESS!
You must have current system updates and antivirus software installed and updated to gain access to FIU’s network resources. You may have your access revoked for the following reasons:

- Unpatched Systems: Your computer does not have the latest security patches installed in a timely matter.
- Compromised System: Your computer was compromised and/or set up to execute commands or programs at the direction of a hacker.
- Computer Virus Proliferation: Your computer is infected with a virus or worm that propagates via the FIU network.
- Copyright Infringement: You violated copyright laws. Unauthorized distribution of copyrighted material, including unauthorized peer to-peer file sharing, may subject you to civil and criminal liabilities. See IT Security Policies here: http://security.fiu.edu/index.php?name=policies.
- Denial of Service Attack: You directly attempted to prevent legitimate users from using FIU’s network resources. For example, attempts to flood the FIU network with mass emails, thereby slowing down that services and/or preventing legitimate network traffic.
- Hacking: Knowingly accessing someone else’s computer without explicit authorization.

STEP 3: BE A SMART SOCIAL NETWORKER
- Do not put your address or whole birth date on social networking pages.
- Do not post anything on your page or send an email with information you would not want to see on the front page of the news.
Policies & Regulations

- Learn the security settings for social networking sites and use them
- Read the user agreements

For more information on any of the above, please visit the Information Technology Security Office website at http://security.fiu.edu.

OFFICE OF THE OMBUDSMAN
The Ombudsman Office acts as an impartial and confidential forum to assist students who have encountered problems or conflicts at the University, particularly problems or concerns not adequately addressed through normal channels. This may include correcting processes or procedures which hinder resolving the issue or are causing an inordinate delay.

The Ombudsman may resolve problems through various methods, including investigation, mediation, or making referrals to the appropriate University department for review. The Ombudsman should be utilized in situations where all areas of appeal have been exhausted or proven unsuccessful.

For more information or services, please contact the Office of the Ombudsman at (305) 348-2797 located in Graham Center room 219 at the Modesto A. Maidique Campus, or located in HL 317A, Biscayne Bay Campus, (305) 919-5943, http://ombuds.fiu.edu

RELIGIOUS HOLY DAYS
A faculty member who wishes to observe a religious holy day shall make arrangements to have another instructor teach the class in his or her absence, or shall reschedule the class.

Because there are some classes and other functions where attendance may be considered essential, the following policy is in effect:

1) Each student shall, upon notifying his or her instructor at the beginning of the semester, be excused from class to observe a religious holy day of his or her faith.
2) While the student will be held responsible for the material covered in his or her absence, each student shall be permitted a reasonable amount of time to make up any work missed.
3) Professors and University administrators shall not arbitrarily penalize students who are absent from academic or social activities because of religious observances.

VETERANS INFORMATION
The Office of Veterans Affairs assists all veterans and their dependents who wish to receive VA educational benefits. The Office also provides personal counseling, fee deferments, tutorial assistance, and work-study jobs.

Veterans who are planning to attend the University should contact the Office of Veterans Affairs two months prior to the date of entry. Such time is required to expedite the processing of paperwork for educational allowances from the Veterans Administration.

“It’s On Us” is a national campaign aimed at ending sexual assault on college campuses. The slogan is intended to emphasize the role that each person—men and women—play in preventing and stopping violence. FIU’s campaign expands education on prevention, bystander intervention and resources for victims. We hope you will join us. It’s On Us to stop sexual assault.

The Facts: 1 in 5 women and 1 in 16 men are sexually assaulted in college. Six percent of men in college admit to committing sexual assault. It’s on us, the rest of us, to step up and stop it.

What you can do
- Recognize that if someone doesn’t or can’t consent to sex, it’s sexual assault.
- Keep an eye on someone in a vulnerable situation.
- Look out for someone who has had too much to drink.
- Act when we think someone is in trouble.
- Stand up to those who tell us it’s not our business.
- Call non-consensual sex what it is—Rape.
- Take responsibility for our actions and our inaction.
- Never blame the victim.

Getting help & reporting sexual assault: The following offices can help students who have been a victim of sexual assault, or if you’re a friend of someone who was assaulted. They can also assist in filing a formal report or complaint, if you wish to do so.
