## Academic Affairs General Policy Statement

Florida International University is a community dedicated to generating and imparting knowledge through excellent teaching and research, the rigorous and respectful exchange of ideas, and community service. ## Class Attendance

I do not take class attendance except at tests/exams. However, you are expected to attend all class meetings. The material presented in class will follow the textbook. I have provided some notes and program examples on the class webpage. If you must miss class, you should get the class notes from a classmate. A tentative class schedule is available from the class webpage.
