Rationale for CIS-3950 Course Change Proposal

KFSCIS already offers Capstone project in two-course sequence for CS majors as below:

- CIS-3950 (1-credit Capstone I) current prerequisite: “COP 3337 and Junior Standing”
- CIS-4951 (2-credits Capstone II) current prerequisite: “CIS 3950”

Since CY majors are adopting the same two-course sequence for their Capstone projects, the prerequisite for CIS-3950 needs to allow CY majors to enroll in at Junior level after completing COP-3804.

For this reason, this course change proposal specifies the new prerequisite for CIS-3950 as “(COP 3337 or COP 3804) and Junior Standing”.
