To: The University Core Curriculum Oversight Committee

From: Jason Liu, Director, Knight Foundation School of Computer and Information Sciences

Re: CTS 1500 "Emerging Technologies in Digital Life" course offerings

Date: 09/16/2025

---

KFSCIS is offering CTS 1500 every Fall and Spring semester which started in Spring 2024. The course is taught by full-time faculty. The current face-to-face section supports approximately 50 students. Based on demand, KFSCIS will consider adding more sections to be taught by full-time faculty.

A handwritten signature in black ink, appearing to read 'Jason Liu', written over a horizontal line.
