

Simple Syllabus Search Guide

Finding a Course Syllabus in the Simple Syllabus Library

The **Simple Syllabus** platform has been adopted university-wide effectively from **Fall 2025**. Follow the steps below to locate the syllabus for a specific course and academic term.

Step 1: Open the Simple Syllabus Library

Go to:

<https://fiu.simplesyllabus.com/en-US/syllabus-library>

Step 2: Select the Academic Term(s)

In the **Term** field located in the upper-left corner of the page, choose the semester you wish to search. You may select the current term, future terms, and/or available historical (past) terms.

Step 3: Open the Search Filters

Click the pink shaded **Filters** area in the upper-right corner of the page to display the available search options.

Step 4: Specify the Course

For example, to search for **COP 4710**:

- In the **Subject** filter, type the first letter of the course prefix (for example, **C**) and select **COP** from the drop-down list.
- In the **Course Number** filter, select **4710** from the drop-down list.

Step 5: View the Results

Matching syllabi will automatically appear below the filter section. Click any syllabus in the results list to open and view it.
